Members of Congress' Version of Christianity Royce Kennedy, 2013-03-28 Reflecting upon the impeachment trial of former President Bill Clinton and remembering that the House Managers who conducted the trial were introduced on prime time television as born again Christians my interest was perked I decided to watch the proceedings for the sole purpose of observing if these men would act the way we think Jesus would The first thought that came to mind was the fact that the woman taken in the very act of adultery under the Law of Moses should be stoned to death and her accusers brought that fact to Christ's attention We know she walked away from the presence of Jesus alive and well only being told to go and sin no more Another event that perked my interest was the fifty-two million dollars White Water investigation that yielded nothing amiss against the Clintons Because the trial was open to television cameras before long it was evident that the accusers did not merely want to catch the president in a lie obviously they wanted to humiliate him in the meanest way without giving any thought to the prestige of the Office of the President The trial reminded me of the Merchant of Venice in which everyone wanted his pound of flesh and the president sat in what looked like a pack of marauding hyenas closing in on a wounded deer or an antelope calf Because of the current hostile political climate in Washington these days I had to extend my work to cover what it means to be called a Christian Member of Congress The theme and conclusion are within that context and it is hoped that many politicians and private citizens alike will benefit from this work It is intended for Christian lawmakers in Congress and every State House and Governors mansion in the union in fact to Christian politicians in every country on earth with a desire to honor Christ by an exemplary life It is not intended to force religion on anyone or to promote membership in any established Church The hope is that it will minister to personal spiritual needs My first two published books by PublishAmerica.com are Arlington National Cemetery Became My Classroom featuring my life story and my 10 years of giving tours in Arlington National Cemetery When Shall These Things Be is an in-depth study of Daniel's 70 weeks and the prophecies of Jesus Christ in Matthew chapter 24

Together We March Leah Henderson,2021-01-19 March through history and discover twenty five groundbreaking protest movements that have shaped the way we fight for equality and justice today in this stunningly illustrated and sweeping book For generations marches have been an invaluable tool for bringing about social change People have used their voices the words on their signs and the strength in their numbers to combat inequality oppression and discrimination They march to call attention to these wrongs and demand change and action from a local to a global scale Whether demanding protective laws or advocating for equal access to things like voting rights public spaces and jobs the twenty five marches in this book show us that even when a fight seems impossible marching can be the push needed to tip the scales and create a movement This gorgeous collection celebrates this rich and diverse history the often overlooked stories and the courageous people who continue to teach us the
