He's right. Worse still, he's central to the outcome. Meg tells him that their music teacher's parents everyone expects him to play her duet for trumpet and piano at the upcoming student concert. Vin is horrified. Meg insists that his only escape route is to persuade another trumpet player to take his place. She has the hunky Brad Stewart in mind and challenges Vin to introduce her to him. Vin doesn't know Brad any better than Meg does, but she points out that Vin is in two classes with Brad's nerdy brother Eyeballs. Stewart is the last person Vin wants to befriend until Meg's promise of a David Beckham autographed soccer jersey changes the seventh grader's mind. He has five days to accomplish his mission: Operation BS, before the concert practice schedule kicks in. *Proceedings of National Electric Light Association* National Electric Light Association.
