White Lines Jennifer Banash:

White Lines Jennifer Banash, 2013-04-04 I don't want to be this person anymore but I've been running for so long I don't know how to stop how to stand still how to begin again Seventeen year old Cat is club kid royalty with the power to decide who gets past the velvet rope at some of the hottest clubs in the city She lives for the night with its high inducing energy pulsing music and those seductive white lines that can ease all pain Her days are something else entirely Having spent years enduring her mother's emotional and physical abuse and abandoned by her father Cat is terrified and alone But when someone comes along who makes her want to truly live she'll need to summon the courage to confront her demons Both poignant and raw White Lines is a gripping coming of age tale for readers of Willow **Silent Alarm** Jennifer

Banash, 2015-03-10 Alys's whole world was comprised of the history project that was due her upcoming violin audition being held tightly in the arms of her boyfriend Ben and laughing with her best friend Delilah At least it was until she found herself on the wrong end of a shotgun in the school library Her suburban high school had become one of those places you hear about on the news a place where some disaffected youth decided to end it all and take as many of his teachers and classmates with him as he could Except in this story that youth was Alys's own brother Luke He killed fifteen others and himself but spared her though she'll never know why Alys's downward spiral begins instantly and there seems to be no bottom A heartbreaking and beautifully told story **Hollywoodland** Jennifer Banash, 2006 Sharlene Miller is a small town girl dreaming of

Hollywood glamour In her relentless quest for success she transforms herself into the cultural icon Sierra But fame always has its price Struggling with demons both real and imagined Sierra finds herself moving through coma induced hallucinations fairy tale porn films down the rabbit hole of addiction and finally through the looking glass of Hollywood itself

In Too Deep Jennifer Banash, 2009-01-06 If you don't belong here you just don't belong The Bramford building's newest resident and small town transplant Casey McCloy is adapting to life in the Big Apple and loving it She's got the look the attitude and a delish new boyfriend Drew Van Allen But she's starting to have second thoughts as to whether the New York Casey is the real Casey And she's not so sure she likes herself much anymore She's not the only one Madison Macallister has always had her Manolo Blahniks firmly planted on the top rung of the social ladder until that corn fed cow Casey stole Drew away from her and made her look the fool So what if Madison wasn't exactly dating Drew at the time She wanted him And everyone knows that Madison gets what she wants like Drew and a little revenge **Simply Irresistible** Jennifer

Banash, 2009-07-07 in her high rise She's climbing the social ladder to the dismay of her neighbor and rival Madison Macallister And Casey could end up as popular as Madison now that the two are set to star in their own reality show De Luxe But reality TV can be so unreal Madison loves the attention but having every bit of her life caught on tape is often less than glamorous Yet fame comes at a price and she's willing to pay Meanwhile now that Casey and her almost boyfriend Drew Van Allen are currently more off than on she's beginning to wonder if everything in her life is just an illusion and how much

longer the illusion can last **The Elite** Jennifer Banash,2008-06-03 From the top you can see everything except yourself When Casey McCloy steps into the elegant Bramford building she s overwhelmed Fresh from the Midwest she s moved to New York s Upper East Side to live with her grandmother and attend the prestigious Meadowlark Academy Here all that matters is who you know The girl to know is Madison Macallister popular pretty platinumblond She s not just Casey s new classmate and neighbor she s an icon So Casey aims to get in with Madison and her gorgeous gal pals from the start As the reigning queen of coolness Madison is capable of destroying reputations with one welltimed whisper Better to be on her good side But after a city haute makeover from her new frenemy Madison Casey is wearing the right clothes saying the right things and meeting the right people including Drew the boy about town who Madison thinks belongs to her and her alone
