 in Sports Marketing Argyro Elisavet Manoli, 2025-02-12 This book explores key and topical issues that are emerging in the
 field of sport marketing while calling for further attention to the thriving sports industry Marketing was one of the first topics
 to attract sport academics attention based on its close relationship with revenue generating activities for example ticket and
 merchandise sales and television coverage Soon after sport marketing began to be appreciated no longer as a mere
 commercial tool but instead as a wider umbrella of promotional elements that encapsulates aspects such as commercial
 sponsorship advertising and publicity while centring on the fans and the engagement with them Recent developments in
 technology such as the creation and adoption of new and social media have also attracted sport marketing's attention with
 ample literature exploring this new hybrid element of the marketing communication mix and how it is utilized within the
 sport ecosystem This book will be relevant to scholars practitioners and students interested in the evolving strategies of sport
 marketing and the impact of technological advancements on fan engagement and industry practices The chapters in this
 book were originally published as a special issue of Journal of Strategic Marketing **Cuisine créole** Suzy
