encourage us to go somewhere special We gave it thought and Denise s family reunion was going to be right at the time we would be gone on our excursion if we left for our anniversary So we waited until the day of the family reunion of my wife Denise before deciding where we were going with no reservations made With I believe inspiration from above we made our plan and left the day after Denise s family reunion We were going to return to all the sights where we lived worked learned and grew together over the years of our marriage Our children helped us make reservations while we were still at the family reunion We were headed for Greenville South Carolina to go back to the courthouse where we were married fifty years ago to see where we started and where the journey had begun After arriving that night we stayed just above the South Carolina line in North Carolina The next morning we headed for Greenville and then we went on down to Clemson University in Clemson South Carolina and watched the total eclipse of the sun It was an amazing sight to see and so fitting for our journey together That was August 21 2017 When we returned home I wanted to go back to where I had grown up as a child and we went to a church on Fourteenth Street in Detroit for the services there When we left the parking lot that day I came up to the traffic light and looked across the street and in the distance I saw Michigan Central Station It was where I started this journey when I arrived in the state of Michigan when I was five years old and homeless I decided as I looked at that site this is my life and this will be my book It is an amazing story and must be told It is against the odds FBI Law Enforcement Bulletin ,1952
