**Enneagram Theology** Rhenn Cherry, 2021-08-16 The enneagram has become popular among evangelical Christians as a spiritualized personality typology that claims to help people better understand themselves and others Several influential evangelical Christian leadership ministries have promoted the enneagram as a tool in forming and maintaining effective ministry teams and the personality typology is now taught and embraced at several Christian universities But uncertainty exists about the appropriateness of referring to the Enneagram as a Christian tool Are pastors and Christian institutional leaders aware of the theology associated with the Enneagram Enneagram Theology Is It Christian provides a biblical critique of the Enneagram s underlying theology and exposes not only its foundational theological contradictions with orthodox evangelical theology but also some potential dangers to the church *A Church in Crisis: Pathways Forward* Ralph Martin, 2020-10-01 Nearly forty years ago Ralph Martin s bestselling *A Crisis of Truth* exposed the damaging trends in Catholic teaching and preaching that combined with attacks from secular society threatened the mission and life of the Catholic Church While much has been done to counter false teaching over the last four decades today the Church faces even more insidious threats from outside and within In *A Church in Crisis Pathways Forward* Martin offers a detailed look at the growing hostility to the Catholic Church and its teaching With copious evidence Martin uncovers the forces working to undermine the Body of Christ and offers hope to those looking for clarity *A Church in Crisis* covers polarization in the Church caused by ambiguous teachings initiatives that accommodate the culture without calling for conversion Vatican sponsored partnerships with organizations that actively contradict the teaching of the Catholic Church and the recycling of theological errors long settled by Vatican II Pope St John Paul II and Pope Benedict XVI Powerfully written *A Church in Crisis* reminds all readers to heed Jesus express command not to lead His children astray With ample resources to encourage readers Ralph Martin provides the solid foundation of Catholic teaching both Scripture and Tradition to fortify Catholics against the errors that threaten us from all directions **Christocentric Preaching Meets the Historical Jesus** Devon Duffield, 2024-12-30 The Christocentric homiletic is considered one of the leading contemporary approaches within the evangelical hermeneutic and homiletic society This is due to the convincing theological justification practical guidance and demonstrative examples of Christocentric sermons from three North American scholars Sidney Greidanus Edmund Clowney and Bryan Chapell Its popularity however has not made this approach immune to criticism Opponents of the Christocentric approach often criticize the preaching model for operating on a general interpretive level having repetitive sermon goals and delivering sermons that lack adequate application among other things The suggested antidote to these issues in current scholarship is for the Christocentric homiletic to become less Christocentric and more Theocentric This book enters the current homiletical debate on Christocentric preaching by placing the homiletical method in conversation with the field of Christology In doing so it points out that the Christocentric homiletic is embedded in a Christology from above contributing to its strengths and

weaknesses This book suggests that if the Christocentric method takes the Christologies from below of N T Wright and Wolfhart Pannenberg seriously it can address specific weaknesses and find resources to enhance some of its strengths without negating its central conviction of preaching Christ in every sermon It defends the unique proposal that the Christocentric method can address its criticisms by becoming more Christocentric and not more Theocentric Aging in Spirit Karen Kaigler-Walker,2023-03-14 Does God expect women who ve lived faithfully most or all our lives to continue to grow in Christ as we age into our later decades Absolutely Not only does God want us to keep on maturing but God provides the path to spiritual growth God hardwired us to blossom into a new realm of spirituality as we age Aging in Spirit provides a blueprint for developing the type of greater love compassion understanding and acceptance that Jesus taught as we move into our elder years so we can continue to be the hands and feet of God until the end of our lives Witness to Belief Russell J. Levenson,2025-10-07 From a beloved faith leader a collection of powerful conversations on faith and meaning with twelve public figures who explore the impact of faith in their lives and their success An openhearted testament to the power of religious belief in a chaotic world Publishers Weekly Through interviews with twelve remarkable and renowned people of various Christian faiths author Russell J Levenson Jr explores different ways people come to faith and sustain it in their daily lives The result is a collection of fascinating moving and unique stories rarely shared with the public For instance Secretary Rice notes that she knelt down to pray every night when she worked in Washington but often was so tired she fell asleep during prayer time Denzel Washington asked to begin and end the interview for this book in prayer with Levenson and Amy Grant shared that because of a brain injury she now has trouble reciting scripture so she sings it instead Each interview delves into the private spiritual side of public figures and reveals that behind success and fame there is often a vibrant personal faith in God that nourishes them Jim Nantz and Brit Hume reflect on the role of their faith as they pursued careers in broadcasting Sam Waterston and Gary Sinise share thoughts on faith as they navigated fame in the entertainment industry James A Baker III Admiral William McRaven and Ambassador Nikki Haley consider how faith helped them make tough political decisions and Dr Francis Collins and Jane Goodall ponder the bridge between faith and science You will come away contemplating the role of faith in your own life and consider what truly matters at the end of the day From Great Falls Rocky Bottoms,2025-04-02 If you want to know the nature of reality you have to know the nature of your Self It s the only way Why does everybody seek happiness In each of our hearts there is this wound there is this longing there is this memory of our eternity If we didn t know the taste of happiness we wouldn t know what to seek This is a story about a modern day spiritual journey from cultural tradition to enlightenment and back **Awakening the New Masculine** Gary L. Stamper,2012-03-06 Awakening the New Masculine is a bridge from the first wave of the mythopoetic mens movement of the last twenty five years to what is only now beginning to emerge Gary Stamper points the way to the second wave of mens work with humor intelligence and the kind of compassion that holds men accountable daring insisting and giving them the

tools they need to step up to a new way of being men You re going to awaken to the real possibility of becoming the man you ve always known you could be stepping into the truth of who you are in your fullness cultivating potentials that have called to you bringing your full presence and awareness to every moment for yourself your loved ones and the planet **Gospel**

**Without Borders** Jim Rotholz,2015-03-04 To what degree does culture facilitate or distort the Christian faith the gospel of Jesus and the life of the church In America the distortion is enormous Gospel Without Borders carefully examines the complex intersection of culture and faith in America providing insights that allow for better understanding and a more genuine experience of biblical and historic Christianity Gospel Without Borders analyzes the formative and interactive roles that human nature and cultural history play in contemporary expressions of Christianity in America It outlines their profound but little appreciated influence upon the shape and scope of Christian faith within society at large the church and the lives of individuals The study illuminates the dimensions of a largely unheralded gospel message characterized by unimpeded faith that fully accords with the kingdom Jesus stridently proclaimed It outlines the dimensions of faith freed from the disappointing forms of culturalized Christianity that always prove insufficient on a personal level and woefully inadequate to the demands of contemporary life within our globalizing world Today s world can only be effectively impacted through a gospel without borders a compelling gospel most Americans have yet to hear and too many Christians of every cultural and denominational background have yet to fully embrace **The Conversation on Extreme Weather** Jennifer A.

Timothy Allen,2017-08-04

Help My Unbelief is for a small but growing number of Christians who are asking critical questions about their faith their church s history and the Bible Around the 60s CE doubts arose as tensions within Judaism escalated questions about Jesus

and his delayed return were voiced and Roman persecutions intensified Jesus was one of a number of itinerant preachers miracle workers and insurrectionaries What set him apart from others Using the Gospel of Mark the author demonstrates that doubts existed within the early Christian community Doubting Christians can take comfort that Mark addressed these issues then and thus provides a guide for living in today's ever questioning world of faith

**Eager to Love** Richard Rohr, 2020-03-05 Francis of Assisi is one of the most beloved of all saints Both traditional and entirely revolutionary he was a paradox He was at once down to earth and reaching toward heaven grounded in the rich history of the Church while moving toward a new understanding of the world beyond Globally recognized as an ecumenical teacher Richard Rohr started out and remains a Franciscan friar The loving inclusive life and preaching of Francis of Assisi make him a recognizable and beloved saint across many faith traditions He was as Rohr notes a master of making room for it and letting go of that which was tired or empty Francis found an alternative way to follow Jesus one that disregarded power and privilege and held fast to the narrow path of the Gospel Rohr helps us look beyond the birdbath image of the saint to remind us of the long tradition founded on his revolutionary radical and life changing embrace of the teachings of Jesus Rohr draws on Scripture insights from psychology and literary and artistic references to weave together an understanding of the tradition as first practiced by St Francis Rohr shows how his own innovative theology is firmly grounded in the life and teaching of this great saint and provides a perspective on how his alternative path to the divine can deepen and enrich our spiritual lives The audio edition of this book can be downloaded via Audible
