**Catholicism (Enhanced Edition)** Robert Barron, 2011-11-01 What I propose to do in this book is to take you on a guided exploration of the Catholic world but not in the manner of a docent for I am not interested in showing you the artifacts of Catholicism as though they were dusty objects of art in a museum of culture. I want to function rather as a mystagogue conducting you ever deeper into the mystery of the incarnation in the hopes that you might be transformed by its power. Father Robert Barron What is the Catholicism? A 2000 living tradition. A worldview. A way of life. A relationship. A mystery. In *Catholicism* Father Robert Barron examines all these questions and more, seeking to capture the body, heart and mind of the Catholic faith. Starting from the essential foundation of Jesus Christ's incarnation, life and teaching, Father Barron moves through the defining elements of Catholicism from sacraments, worship and prayer to Mary, the Apostles and Saints to grace, salvation, heaven and hell, using his distinct and dynamic grasp of art, literature, architecture, personal stories, Scripture, theology, philosophy and history to present the Church to the world. Paired with his documentary film series of the same title, *Catholicism* is an intimate journey capturing The Catholic Thing in all its depth and beauty. Eclectic, unique and inspiring, Father Barron brings the faith to life for a new generation in a style that is both faithful to timeless truths while simultaneously speaking in the language of contemporary life. This enhanced eBook includes a video introduction from the author as well as sixteen short videos from Father Barron's landmark documentary series *Catholicism* totaling more than forty minutes of material. Color photos throughout.
