speech of Stephen that drives the plot of Acts and illuminates exegesis of Paul's insistence on going to Jerusalem with its dramatic conclusion in the shipwreck of Paul. Luke ends Acts in Rome as intended an impressive compelling and thoroughly fresh reading of Acts

The Gospel Truth Patrick T. Rhoads,2020-07-31 The skepticism holding sway in our public society practically screams that one cannot be serious and also be Christian This work exposes the lie to such skepticism This book adopts the scientific method to demonstrate the underlying facts recorded in the Gospels The arguments rely solely upon reason and objective criteria to substantiate their conclusions This fast paced work by a nuclear engineering executive with more than thirty five years of experience will defy expectations Rigorous and systematic this apologetic work is curated with verve energy and wit It will pique the interests of academics and lay audience alike by answering these questions Why is the resurrection a necessary but not sufficient condition for the rise of Christianity Who founded Christianity Hint it was not Saint Paul as many suppose Why did the church retain all of the Hebrew Bible even though only a small fraction pertains directly to the New Testament How does the church rectify the necessity of justice with the virtue of mercy Why did his first followers call Jesus the Christ while fully aware that he did not satisfy the expectations of the Christ in the Hebrew Bible At the end of the book readers will ask the same question about Jesus that Jesus asked of the apostles Who do you say that I am

Acts Gerald L. Stevens,2016-04-05 This analysis of Luke s post ascension story of Jesus challenges orthodoxies in the interpretation of Acts and Paul Carefully constructed narrative arguments from within the story in Acts use the themes of Pentecost the Hellenists and the character development of Saul Paul to reveal Luke s insight that the future of the Jesus story is in the Hellenist movement realizing the promise of Pentecost in Israel These Hellenists are at odds with the Jerusalem church on the implications of the outpoured Spirit of Pentecost Further the Saul Paul of Acts is not what most readers presume from Paul s letters For Luke Paul finds his narrative significance in Acts only within the Hellenist movement and Pentecost fulfillment Paul himself becomes Luke s premier example of the God active God resisted theme of the speech of Stephen that drives the plot of Acts This plot mechanism provides illuminating exegesis of Paul s insistence on going to Jerusalem from Ephesus with its dramatic conclusion in the shipwreck of Paul Stevens concludes by integrating the ending of Acts into Luke s three major themes and overall narrative strategy an impressive compelling and

thoroughly fresh reading of Acts **Travelling Solo** Jo Cundy, 2017-10-20 This book celebrates a God who does not let the grass grow under our feet who can still provide plenty of challenges in life and open new doors into unexpected projects and ventures even when the starting point is an unexpected bereavement Going beyond simply addressing bereavement this book walks the reader through the first steps of travelling through life alone It is both anecdotal and reflective In part it focuses on some of the author's various travels as a vehicle for personal discovery and with this there is a wider range of reflections on different aspects of learning to flourish on one's own Jo writes This book draws on my journal writings and my reflections and is themed around the things that I have learned in the last few years of learning to travel solo and my experiences of doing quite a lot of travelling both at home and abroad So I have found the metaphor of journeying to be a useful peg on which to hang this story and it is anecdotal with theological reflections Various new doors and opportunities have opened up to me and by sharing them I hope that other people in similar situations will be encouraged to recognise appreciate and grasp the opportunities that are on offer in their lives It is an assertion that God does not abandon us but remains as active in our lives as we allow him to be **Beyond the Great Story** Robert F. Berkhofer, 1995 What legitimate form can history take when faced by the severe challenges issued in recent years by literary rhetorical multiculturalist and feminist theories That is the question considered in this pathbreaking book Robert Berkhofer addresses the essential practical concern of contemporary historians **The Dialogical Spirit II** Amos Yong, 2024-09-05 The Dialogical Spirit II is a second collection of essays that demonstrates the dialectical contours of Amos Yong's critical pentecostal theology It is a montage of constructive engagements with various thinkers and ideas in the promotion of theological plurality for the third millennium With essays on Hegelian dialectics Buddhist Christian dialogue pneumatic missiology etc voice is generated for the renewal of relationality and the revival of imagination Free from the imposition of traditional boundaries Yong makes his way across differing landscapes of truth in a global environment gleaned from the activities of reflection and understanding therein Providing snapshots of Yong's theological development over decades of work The Dialogical Spirit II further evidences the vitality of pentecostal theology to emerging conversations in constructive and comparative venues **Bible Stories** Gavin Evans, 2025-10-23 Beginning with the rise of modern Pentecostalism before tracking back 2 500 years author and academic Gavin Evans traces the history of the Abrahamic faiths Christianity Judaism and Islam In this book he explores the New Testament Hebrew Bible and the Qur'an Delving into recent archaeological research Bible Stories presents evidence that tales such as those of Abraham Isaac and Jacob and also Moses Joshua and the Exodus were entirely mythological Robust interrogation of the evidence allows Evans to go further still casting doubt on the Jesus story and arguing that even if he did exist as an historical figure we know next to nothing about him As well as examining these key religious texts Bible Stories also holds modern atheism to account critiquing the work of some of its most ardent advocates Evans rejects a militant approach and makes a compelling argument for a softer more tolerant atheism *From Babel to Pentecost* Mary Anne
