Benton, 2020-08-18 The Coin series continues It all started with a coin but not just any coin For those struggling in the harsh frontier landscape a silver dollar can mean the difference between life and death The Coin series follows the epic journey of a single dollar as it passes from hand to hand changing lives Some the coin will break others it will enrich at least for a time but in every case the coin always moves on because the coin was never meant for keeping In Book Two we pick up the coin in the dusty streets of Omaha where it's been keeping company with a lady of evening Later the coin will travel west in the pocket of a cowhand and onward to the village of a plains tribe and finding its way into the hands of a Sioux warrior Who the coin encounters and how they inevitably pass the coin along is all part of this unique tale Fortunes will be won lost and plundered as the coin continues on its seemingly random path The Silver Dollar Book 2 is an exciting new episode in the tale of a coin and its owners throughout the wild west of the 1800's It is unique heartbreaking and packed with the historical details you have come to expect from best selling author WR Benton **Berlin** Pierre Frei, 2007-12-01 A serial killer stalks the streets of post World War II Berlin in this international bestselling thriller Set in a devastated Berlin one month after the close of the Second World War Berlin has been highly acclaimed Ben a German boy retrieving cigarette butts to repack and sell on the black market discovers the body of a beautiful young
