Receiving Your Miracle Through Seed Faith Partnership With God:

The Miracle of Seed-Faith Oral Roberts, 2017-03-16 Oral Roberts was barely making ends meet when he discovered the three key principles of Seed Faith in God's Word. They have never failed me, he shares. When I had no earthly source or person to turn to when I was alone with nothing but big problems and challenges facing me, these principles showed me God is my Source. They showed me how to use my giving as a seed I was planting and to expect God to multiply it even if it took a miracle. The Miracle of Seed Faith has revolutionized the lives of millions of people. As you read it, let God show you how you can get your needs met through His eternal plan of seedtime and harvest, sowing and reaping, giving and receiving. Man's economic systems may fail, but God's plan never does. By getting into the rhythm of Seed Faith, living you'll learn that His more than enough resources are always available to you.

Abundant Life, 1989 *Oral Roberts* David Edwin Harrell, Jr., 1985-09-22 This book may give you the best opportunity of deciding the truth about me and the ministry I hold so dear, Oral Roberts. Among several biographies of Oral Roberts, the most recent, most accurate, and best documented is *Oral Roberts: An American Life*, an objective, impressive study. New York Review of Books. *Oral Roberts: An American Life* is more than the story of a well-known evangelist and educator. It is the story of a part of the American religious life that not many Americans know or understand. Dr. Harrell has researched thoroughly and written superbly. Billy Graham, a first-rate biography, one which should give pause to Roberts supporters and critics alike. Roberts' first scholarly biographer has done a beautiful job. Allen Boyer, *Newsday*.

A Modern Ninety-Five Nancy A. Almodovar, 2008-06-01 In 1517, an Augustinian monk by the name of Martin Luther nailed ninety-five statements to the door at Castle Church in Wittenberg, Germany. This was not a means of open debate but a desire to discuss scholarly objections to church practices of the time. Five centuries later, many of the same errors and heresies have crept back into the evangelical church. A modern ninety-five theses couched in new terms for a new generation require scholarly debate once again. Through modern-day apostles and prophets and through the elitists within the evangelical church, the doctrine of buying God's grace and favor has been propagated through appeals for seed offerings and atonement day donations in order to garner God's blessings. Pragmatic approaches to preaching the gospel through such movements as the seeker-driven models have moved the focus of the message of Christ and the worship of God from being God-centered to human-centered. Sound historical doctrines such as the Trinity have been relegated to the sidelines in favor of unity and ecumenicalism with Oneness preachers. In the words of Martin Luther, Out of love for the truth and the desire to bring it to light, the following propositions need to be discussed in their entirety by church leaders, pastors, and laypeople alike.

The

Holiness-Pentecostal Movement Charles Edwin Jones,2008-02-07 Developing out of the mostly Methodist National Association for the Promotion of Holiness the Holiness Pentecostal Movement provided a theological consensus strong enough to unify the movement during its first decade of existence and to sweep almost the entire independent Holiness movement of the southeastern United States Distinguished from the Holiness Movement mainly by insistence on speaking in tongues as initial evidence of baptism of the Holy Spirit the teaching of the Holiness Pentecostal Movement is foundational to a significant segment of groups descended from the Azusa Street revival especially in Chile and South Africa With this final volume devoted to the Holiness Pentecostal Movement Charles Edwin Jones s landmark 1974 work has now been expanded into a three part series which breaks up his original book into 4 volumes on The Wesleyan Holiness Movement 2 Volumes The Keswick Movement and The Holiness Pentecostal Movement The series provides materials for study of doctrine worship institutional development and personalities as well as antecedent and related movements It serves to illustrate the history both of the Holiness Movement and the rural urban transition in which it developed Theological reconsiderations realignments and changes as well as the nearly exponential growth of the Movement since the original book s publication make these new publications almost absolutely necessary

The Oxford History of Protestant Dissenting Traditions, Volume IV Jehu J. Hanciles,2019-03-07 The five volume

Oxford History of Protestant Dissenting Traditions series is governed by a motif of migration out of England. It first traces organized church traditions that arose in England as Dissenters distanced themselves from a state church defined by diocesan episcopacy, the Book of Common Prayer, the Thirty Nine Articles, and royal supremacy, but then follows those traditions as they spread beyond England and also traces newer traditions that emerged downstream in other parts of the world from earlier forms of Dissent. Secondly, it does the same for the doctrines, church practices, stances toward state and society, attitudes toward Scripture, and characteristic patterns of organization that also originated in earlier English Dissent but that have often defined a trajectory of influence independent of ecclesiastical organizations. Volume IV examines the globalization of dissenting traditions in the twentieth century. During this period, Protestant Dissent achieved not only its widest geographical reach but also the greatest genealogical distance from its point of origin. Covering Africa, Asia, the Middle East, America, Europe, Latin America, and the Pacific, this collection provides detailed examination of Protestant Dissent as a globalizing movement. Contributors probe the radical shifts and complex reconstruction that took place as dissenting traditions encountered diverse cultures and took root in a multitude of contexts, many of which were experiencing major historical change at the same time. This authoritative overview unambiguously reveals that Dissent was transformed as it travelled.
