Report Scams For Money:

Diary of a Romance Scam Beth Hyland, 2025-07-24 When Beth Hyland swiped right she thought she had found love. Instead she found herself ensnared in a sophisticated web of deception one that would not only shake her trust but threaten her financial and emotional well being. *Diary of a Romance Scam* is a raw courageous and eye opening account of how expertly trained criminals manipulate groom and exploit victims in ways that mirror the coercive control seen in domestic abuse. This is not just a story of loss but one of survival resilience and transformation. As Beth bravely unpacks the intricate psychological tactics used against her she also shines a light on the devastating stigma that keeps so many victims silent. Society must understand that these scams are not simply about giving money to strangers they are calculated deeply personal betrayals that thrive in the shadows of shame and victim blaming. To break the cycle we must listen to survivors like Beth amplify their voices and demand systemic change. Beth's journey from victim to advocate is a testament to the strength that can emerge from even the darkest experiences. Her story is not only a warning it's an essential educational tool that exposes the brutal reality of romance fraud and urges us all to take it seriously. This book is a powerful call to action challenging us to replace judgment with empathy and ignorance with awareness.

Book Review 1 Beth Hyland's *Diary of a Romance Scam* is a raw courageous and deeply human story that exposes the psychological warfare behind romance fraud. As someone who has studied manipulation and social engineering for over two decades I can tell you this book is not just a personal memoir it's a masterclass in how emotional abuse is weaponized by skilled criminals. Beth's vulnerability and strength in sharing her experience will not only educate but empower readers to recognize red flags protect themselves and begin healing. This is a must read for anyone who thinks it could never happen to them.

CHRISTOPHER HADNAGY Author CEO of Social Engineer LLC and The Innocent Lives Foundation

Book Review 2 Beth Hyland's book on romance scams is a powerful personal look at what it's like to be caught in one of these devastating cons. She doesn't just break down how the scam works she takes you through the emotional rollercoaster of trust betrayal and heartbreak that so many victims experience. But what makes this book stand out is that Beth doesn't stay in the darkness. Instead she turns her story into something bigger a mission to educate warn and empower others so they don't have to go through what she did. It's raw eye opening and ultimately a testament to resilience and hope.

ERIN WEST Founder of Operation Shamrock

Scams, Cons, Frauds, and Deceptions Sean Byrne, James Byrne, 2024-06-28 This unique volume presents cutting edge research on the nature and extent of a wide range of scams cons frauds and deceptive activities including sextortion the use of ransomware phishing identity theft Ponzi schemes online shopping fraud gift card scams and health care fraud targeting elderly victims. The contributions to this book raise and attempt to answer several intriguing questions. Why have governments in each global region failed to respond more aggressively to these crimes? What can should the private sector and social media giants be doing? Can the current responses of both governments and the private sector be linked to the public's ambivalence about how

to respond to these forms of offending and victimization Does a large segment of the public admire individuals who get involved in these activities in large part due to the positive portrayal of scammers fraudsters and con artists in both literature and cinema Or does the public s view of the harm caused by these scams and cons vary based on our view of who is victimized e g individuals or corporations and or why they were chosen Will governments as they have done in the past attempt to influence the public s views by restricting access to books and movies that focus on the latest scams cons and frauds taking place on line and in person via book banning and other forms of censoring And finally should this discussion of the influence of books and cinema on the public s views of scams frauds cons and deception be broadened to include the government s ongoing attempts to censure a wide range of books and films that may influence the public s view of morality and more recently the public s view of our government due to their content Timely and thought provoking this book will be a key resource for researchers scholars and practitioners in criminology and criminal justice sociology law psychology and social work while also appealing to interdisciplinary researchers seeking insight into the relationship between positive portrayals of scammers fraudsters and con artists in literature and cinema and the public s perception of individuals who get involved in these activities It was originally published as a special issue of *Victims Offenders* [Fighting Fraud](#) United States. Congress. Senate. Special Committee on Aging,2014 **The Consumer Financial Protection Bureau's Semiannual Report to Congress** United States. Congress. Senate. Committee on Banking, Housing, and Urban Affairs,2017 *Consumer Rights Explained* Sebastian Farnham,Al,2025-04-03 *Consumer Rights Explained* offers crucial insights into your legal protections against consumer fraud deceptive advertising and product liability empowering you to navigate the marketplace confidently Did you know that the Federal Trade Commission FTC and the Consumer Financial Protection Bureau CFPB provide essential data on the prevalence of scams and deceptive practices Understanding these consumer protection laws is vital for avoiding exploitation and making informed decisions The book explores the evolution of consumer rights from early regulations to modern statutes touching on basic contract and tort law It begins by defining key terms and fundamental rights then delves into specific types of fraud like identity theft and online scams followed by discussions on product defects and misleading advertising tactics and concluding with practical advice for seeking legal recourse This approach combines legal analysis with actionable steps making complex concepts accessible and relevant to a general audience interested in business and politics **Internet Crime Report 2009** , **Social Media Scams** Francis Zeppieri ,2021-06-17 Have you ever come across something online that looks a little bit too good to be true It might be a competition you ve won that you didn t know you d entered or a new cryptocurrency with a low buy in price and promised high returns **What to Do with Your Money When Crisis Hits** Michelle Singletary,2021 A direct incisive guide for consumers to know how to protect and handle their money in the face of a financial crisis [Aging and Money](#) Ronan M. Factora,2021-02-24 This book aims to disseminate and share knowledge about financial exploitation of elders with the

purpose of protecting those individuals in our society who are most vulnerable to financial abuse and mistreatment It instructs practicing clinicians in identification of risk factors recognition of signs and implementation of screening methods to protect their patients This updated edition expands upon and advances the earlier text by including the most recent research and methods used to assess risk of financial exploitation as well as updates in how the law approaches such cases It also highlights ways in which community awareness can aid in identifying those most at risk effectively protecting the elderly community advocating for those victimized and pursuing perpetrators to the fullest extent of the law Professionals from law enforcement medical clinics financial institutions and the legal field are now tasked with acting on suspected situations thanks to increasing recognition of financial abuse and mistreatment of an aging population This book also guides professionals on how to discuss this information with potential victims This second edition of *Aging and Money* expands the knowledge base to highlight the perspectives of different disciplines including professionals in medicine law the financial industry and social services who play an important role in investigating and preventing financial abuse of the elderly *The Art of Professional Scamming* Logan Anderson ,2024-01-01 If you are new to scamming then you need to read this book to know how to 1 Set up your Facebook 2 Find the right groups to bomb 3 Catch the clients attention 4 Catch out easily
