

Mahatma Gandhi Research Paper

Aroused by the massacre of Amritsar in 1919, Gandhi devoted his life to gaining India's independence from Great Britain. As the dominant figure used his persuasive philosophy of non-violent confrontation, he inspired political activists with many persuasions throughout the world (Andrews 23). Not only was Mahatma Gandhi a great peacemaker, but also his work to achieve freedom and equality for all people was greatly acknowledged. Gandhi's unconventional style of leadership gained him the love of a country and eventually enabled him to lead the independence movement in India.

Mohandas Gandhi, later called Mahatma Gandhi, was born on October 2, 1869 in Porbandar, which is the present day state of Gujarat, India (Andrews 17). He grew up in a very controlled family that had an alliance with the family ruling Kathiawad. He was engaged to two other women who both died, then he eventually married Kasturba at the age of 13. Gandhi sailed to England to attend University College in London to study law (Kamat's Potpourri). In 1891, he was able to practice in the British bar. Gandhi went back to India and tried to authorize a law practice in Bombay, with very little achievement.

Two years later, an Indian firm with curiosity in South Africa had an office in Durban where Gandhi was commissioned as legal advisor. This is where he lived for twenty years once he began his job doing labor on the sugar estates in South Africa (Moreorless). As soon as he arrived in Durban, he found himself being treated as if he was not human. The Africans forbade fundamental individual rights and political rights from the Indian immigrants. This conduct resulted in Gandhi's outburst in fury towards the African's reactions to Indian immigrants to South Africa.

He then began a civil right's campaign, which resulted in the development of his passive resistance policy, which eventually inspired thousands. The Union of South Africa government adjusted Gandhi's demands, which included recognition of Indian marriages and abolition of the poll tax (Kamat's Potpourri). When this man saw how terrible people were being treated because of diversity he said, "There is nothing that wastes the body like worry, and one who has any faith in God should be ashamed to worry about anything whatsoever." (Gold 231). By saying that, he meant that no one should worry about where they stand in society or how they are judged because in God's eyes everyone is perfect and everyone is equal therefore, no one who has any faith in God should be worrying about their so called "imperfections." This great man struggled to gain the important rights for all Indians, and this is where it all began. Once Gandhi's mission in South Africa was complete, he returned to India and became involved in the home ruling movement. He was concerned with excessive land tax and discrimination, so he organized protests by peasants, farmers, and urban laborers to help them stand tall and

Research Paper On Gandhi:

Gandhi as Disciple and Mentor Thomas Weber, 2004-12-02 Thomas Weber's book comprises a series of biographical reflections about people who influenced Gandhi and those who were in turn influenced by him. Whilst previous literature tended to focus on Gandhi's political legacy, Weber's book explores the spiritual, social, and philosophical resonances of these relationships, and it is with these aspects of the Mahatma's life in mind that the author selects his central protagonists. These include friends such as Henry Polak and Hermann Kallenbach, who are not as well known as those usually cited but who left a deep impression nevertheless and motivated some of Gandhi's major life changes. Conversely, the work of luminaries such as E. F. Schumacher and Gene Sharp reveals the Mahatma's influence in arenas which are not traditionally associated with his thinking. Weber's book offers intriguing insights into the life and thought of one of the most significant figures of the twentieth century.

The Legacy of Mahatma Gandhi Sagar Simlandy and Sharmila Dutta Banik, 2021-07-03 Mahatma Gandhi, the father of the nation, has a multi-dimensional personality: a politician, leader, statesman, journalist, writer, barrister, philosopher, social scientist, and activist. He was born on 2nd October 1869 during the colonial period and died on 30th January 1948 while India was independent. Between these two different perspectives of his life, he formulated and developed his political and philosophical ideas, which he himself experienced in South Africa and India. Now the time has come to be reviewed, re-examined whether his political ideas and philosophy are relevant in the 21st Century, characterized by the problem of armed clashes, terrorism, and the moral crisis of humanity. His ideas of Truth, Non-violence, Satyagraha, Sarvodaya, etc., are to be re-examined to make these fit to be solved the present crises. His secular ideas of coexistence of all religions are more relevant than in his own time. Casteism is still a major problem in Indian politics. Can Gandhi's concept of Harijan eradicate casteism and create a casteless society? Should Gandhian ideas of Democracy, not western type, and socialism, not Marxian type, be reviewed to solve the recent crises? The intellectuals and scholars coming from different parts of the country and the world will explore various aspects of Mahatma Gandhi's political and philosophical ideas for the question of humanity and morality, which lack the present society and politics. The book has important features and knowledge about Gandhian ideas and knowledge.

Gandhi in the Twenty First Century Anshuman Behera, Shailesh Nayak, 2022-02-11 This book engages a multidisciplinary approach to understand Gandhi in addressing specific contemporary societal issues. The issues highlighted in the book through thirteen distinct yet interrelated themes offer solutions to the societal challenges through the prism of Gandhian thought process. This edited book explores how ideas Gandhi expressed over a century ago can be applied today to issues from the UN's Sustainable Development Goals to peaceful resolution of conflicts. In particular, it looks at the contemporary societies' critical issues and offers solutions through the prism of Gandhian ideas. Written in an accessible style, this book reintroduces Gandhi to today's audiences in relevant terms.

Polymer Composites Klaus Friedrich, Stoyko Fakirov, Zhong Zhang, 2005-12-06 The use of polymer composites in various engineering applications has become state of the art This multi author volume provides a useful summary of updated knowledge on polymer composites in general practically integrating experimental studies theoretical analyses and computational modeling at different scales i.e. from nano to macroscale Detailed consideration is given to four major areas structure and properties of polymer nanocomposites characterization and modeling processing and application of macrocomposites and mechanical performance of macrocomposites The idea to organize this volume arose from a very impressive workshop The First International Workshop on Polymers and Composites at IVW Kaiserslautern Invited Humboldt

Fellows and Distinguished Scientists which was held on May 22-24, 2003 at the University of Kaiserslautern, Germany. The contributing authors were invited to incorporate updated knowledge and developments into their individual chapters within a year after the workshop which finally led to these excellent contributions. The success of this workshop was mainly sponsored by the German Alexander von Humboldt Foundation through a Sofia Kovalevskaja Award Program financed by the Federal Ministry for Education and Research within the Investment in the Future Program of the German Government. In 2001 the Humboldt Foundation launched this new award program in order to offer outstanding young researchers throughout the world an opportunity to establish their own work groups and to develop innovative research concepts virtually in Germany. Postmodern Gandhi and Other Essays Lloyd I. Rudolph, Susanne Hoeber Rudolph, 2010-07-15. Gandhi, with his loincloth and walking stick, seems an unlikely advocate of postmodernism. But in Postmodern Gandhi, Lloyd and Susanne Rudolph portray him as just that: in eight thought-provoking essays that aim to correct the common association of Gandhi with traditionalism. Combining core sections of their influential book Gandhi: The Traditional Roots of Charisma with substantial new material, the Rudolphs reveal here that Gandhi was able to revitalize tradition while simultaneously breaking with some of its entrenched values and practices. Exploring his influence both in India and abroad, they tell the story of how in London the young activist was shaped by the antimodernist, other West of Ruskin, Tolstoy, and Thoreau, and how a generation later a mature Gandhi's thought and action challenged modernity's hegemony. Moreover, the Rudolphs argue that Gandhi's critique of modern civilization in his 1909 book Hind Swaraj was an opening salvo of the postmodern era and that his theory and practice of nonviolent collective action, satyagraha, articulate and exemplify a postmodern understanding of situational truth. This radical interpretation of Gandhi's life will appeal to anyone who wants to understand Gandhi's relevance in this century, as well as students and scholars of politics, history, charismatic leadership, and postcolonialism. 29 Years UPSC IAS/ IPS Prelims General Studies Topic-wise Solved Papers 1 (1994 - 2022) with Detailed Solutions Online.
