

CAREER RESEARCH PAPER

Format: 3 pages, double-spaced, typed, #12 font

Content:

1. For the Career Research Paper, choose a career that interests you or one suggested by the career assessments done in the class. Answer these questions:
 - Describe the career. What are the typical job duties?
 - Why are you interested in this career?
 - Are certain personality types and skills desired and/or required? How does your personality type match this career or not?
 - What are the interest codes for this career? How does your interests and values match this career?
 - What are some advantages and disadvantages of working in this career?
 - What type of environment will you be working in?
 - What is a typical day, week, month, year?
 - What is the salary or pay? Part time? Full time?
 - What is the job outlook? Is there a demand or not in this field. How difficult or not difficult is it to gain employment in this career?
 - What are the educational requirements? Licensures?
 - What are related majors or majors needed for this career?
 - What are related occupations for this career? Research other occupations similar that may be of interest.
 - What are the growth opportunities?
 - What interesting facts did you discover?
 - Extra: Find a job advertisement on this career and paste it on a piece of paper or download it from a website (extra)
2. To research your career, use at least 4 sources of information:
 - Computer
 - Texts, E-books, Articles, Library Research - <http://www.cuyamaca.edu/academics/support/library/more-resources/careers.aspx>
 - Informational Interview (It is encouraged you use an interview with a person in your career of interest. Included is a separate sheet that talks about Informational Interviews and possible questions to ask.)
 - The CHOICES Planner and DWYA Assessments you took in class will answer a variety of these questions and help you in your research (go back to Week One for DWYA report is in your CollegeScope portfolio and Week Seven in the Db CHOICES Planner Portfolio).
 - Look at the course calendar under Week 8 for additional resources: <http://www.cuyamaca.edu/people/cindy-morrin/counseling-120-online/schedule.aspx>
3. Include a "Works Cited" listing of the sources you used. For computer sources, list the Web address and date accessed. Remember to ask a Librarian for help.
4. Visit the Career Center to get help researching. Bring your logins to CHOICES Planner and Blackboard. Peer Advisors and Counselors will help you. www.cuyamaca.edu/career and 619-660-4436.

Careers in Science and Technology National Research Council, Policy and Global Affairs, Office of International Affairs, Office of International Organizations and Programs and Office of Scientific and Engineering Personnel, Advisory Committee, 1996-03-16 Every industrialized country is concerned with maintaining an adequate supply of individuals interested in careers in science and technology yet little is known about these efforts outside national borders This book represents the proceedings of an international conference on Trends in Science and Technology Careers held in Brussels in 1993 Organized at the behest of OSEP and the OIA Committee on International Organizations and Programs in cooperation with the European Commission DG XII and in response to a resolution of the International Council of Scientific Unions the conference identified international data on career trends assessed the research base engaged in studying science and technology careers and identified ways in which international organizations could promote greater interest in science

and technology human resource development The conference laid the groundwork for continuing international discussions about the best ways to study and promote careers in science and technology and national dialogues about the ways to integrate this knowledge into human resources policies *Resources in Education* ,1999-04 *Research in Education* ,1974 Office of Education Research Reports, 1956-65 Educational Research Information Center (U.S.),1967 **Listing of Publications, Division of Science Resources Studies, March 1974** National Science Foundation (U.S.),1974

Education and Career Choice P. White,2006-11-28 This research project offers a new perspective on post sixteen transitions Combing secondary data with narrative accounts it describes how young people in the UK make choices at the end of their compulsory schooling and provides a dynamic model of decision making and a thorough critique of current research in the area beyond fashionable concepts Encyclopedia of Applied Psychology Charles Spielberger,2004-09-02 Encompasses topics including aging geropsychology assessment clinical cognitive community counseling educational environmental family industrial organizational health school sports and transportation psychology Each entry provides a clear definition a brief review of the theoretical basis and emphasizes major areas of application **Office of Education Research Reports, 1956-1965** United States. Office of Education,Educational Research Information Center (U.S.),1967

Office of Education Research Reports, 1956-65, ED 002 747-ED 003 960 Educational Research Information Center (U.S.),1967 **Resources in Women's Educational Equity** ,1979-05 *Personal Competences in the Academic and Work Environment: Advancing Towards Psychological Wellbeing* María del Mar Molero Jurado,María del Carmen Pérez-Fuentes ,Carol D. Ryff,Pablo Molina,2025-09-01 A behavioral repertoire composed of personal competencies such as emotional intelligence self awareness self esteem resilience assertiveness and autonomy has been considered crucial for positive personal and individual development These competencies support healthy psychological functioning and have a positive impact on promoting the health and psychological well being of individuals The relevance of psychological well being is not limited to the absence of psychological distress but implies a state of fulfillment and satisfaction in the various domains of a person s life Personal competencies are therefore a crucial skill for people s lives in general and in the academic and work environment in particular It has been found that professionals in any field of work with good levels of personal competencies experience greater job satisfaction better management of demanding situations and less job burnout

Corporate Practices: Policies, Methodologies, and Insights in Organizational Management Sebastian Kot,Bilal Khalid,Adnan ul Haque,2024-06-18 We are delighted to present this compilation of insightful contributions from the Global Conference on Entrepreneurship and Economy in an Era of Uncertainty EEEU23 hosted by the International Research Center for Higher Education and Business Cooperation in Poland This book explores the ever changing field of entrepreneurship in the digital economy emphasizing the pivotal role of innovation in navigating through today s global disruptions such as pandemics and regional instabilities that reverberate through economies In a time where rapid innovation is the linchpin for

sustained relevance companies face the critical imperative of adapting swiftly to the changing tides This collection sheds light on the reality that organizations even those with a long standing market presence and solid managerial frameworks can only avoid obsolescence if they innovate at the pace demanded by contemporary circumstances The cautionary tales of once thriving entities like Eastman Kodak Company Polaroid Corporation Xerox and others serve as poignant reminders of the imperative of agile innovation in today s business environment The chapters presented within this book offer a thorough exploration of the profound influence of digital innovation on entrepreneurship coupled with an examination of the pivotal role of strategic organizational management in the sustenance and prosperity of enterprises As such this book is an invaluable resource for researchers and professionals seeking to deepen their understanding of the application of innovation and disruptions in entrepreneurship and organizational management The insights and disclosures encapsulated within these pages will catalyze meaningful dialogue and inspire innovative approaches to pursuing entrepreneurial success amidst a landscape characterized by uncertainty

Work, Organizational, and Business Psychology Hannes Zacher,Nale Lehmann-Willenbrock,2022-11-30 Work organizational and business psychology is an applied empirical science and occupational field Written by 20 leading experts in this area the chapters in this book provide a comprehensive overview of classic and contemporary theories methods and findings Topics include individual differences and performance vocational choices and career development the work nonwork interface work stress and well being occupational safety positive and counterproductive work behavior work analysis and work design personnel selection and development work attitudes and motivation negotiation leadership teams entrepreneurship and organizational development The book provides a thorough introduction to work organizational and business psychology for students in Bachelor and Master programs at universities and universities of applied sciences It also provides a useful resource for lecturers as well as practitioners in companies and other organizations

Resources in Vocational Education ,1977 **Psychological Mechanisms that Affect Economic Decisions to Work Longer** Gabriela Topa,Joanne Earl,Jacquelyn Boone James,2020-03-12 *Thesaurus of ERIC Descriptors* ,1990 4th 7th eds contain a special chapter on The role and function of the thesaurus in education by Frederick Goodman

Research Paper About Career Choices Introduction

In the digital age, access to information has become easier than ever before. The ability to download Research Paper About Career Choices has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Research Paper About Career Choices has opened up a world of possibilities. Downloading Research Paper About Career Choices provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Research Paper About Career Choices has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Research Paper About Career Choices. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Research Paper About Career Choices. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Research Paper About Career Choices, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure

their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Research Paper About Career Choices has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Research Paper About Career Choices Books
