Richard La Ruina Natural Art Of Seduction:

The Natural Art of Seduction , Seduction Rachel O'Neill, 2018-07-04 Within the so called seduction community the ability to meet and attract women is understood as a skill which heterosexual men can cultivate through practical training and personal development Though it has been an object of media speculation and frequent sensationalism for over a decade this cultural formation remains poorly understood In the first book length study of the industry Rachel O'Neill takes us into the world of seduction seminars training events instructional guidebooks and video tutorials Pushing past established understandings of pickup artists as pathetic pathological or perverse she examines what makes seduction so compelling for those drawn to participate in this sphere Seduction vividly portrays how the twin rationalities of neoliberalism and postfeminism are reorganising contemporary intimate life as labour intensive and profit orientated modes of sociality consume other forms of being and relating It is essential reading for students and scholars of gender sexuality sociology and cultural studies as well as anyone who wants to understand the seduction industry's overarching logics and internal workings

and she told me so I said I'll walk you and took her hand and lead her down the road 2 15 I said let's go for another drink she agreed and I lead her to my house She objected when she realized we weren't going to a bar and said Russian girls are not so easy I said I know I love Russian girls and you are special in a sincere way I did mean it too She then started walking again and I got her to my room I had no outcome dependency at this point I had a take it or leave it attitude which she must have picked up on I got her in my room she sat down I put music on she didn't want wine I said come here she said why and didn't stand up so I pulled her up started kissing her tripped her up onto the bed Escalated with no LMR at all and had the best f close ever She was stunning I wouldn't change her thing Plus it was all natural No fake tan died hair tons of make up fake boobs She was a diamond Anyway it took 15 minutes to get to my house 5 minutes to get her into bed and she was a NINE so it was amazing for me LMR 15 5 9 The PU skill Nothing verbal nothing I can describe too well It was the state I was in the confidence in the approach the sexual vibe the indifference and coolness about taking her home I really didn't feel desperate or outcome dependent She went to Russia for the holidays so need to call her again now because she'll be back But one thing is for sure in London it will be MONTHS before I even see anything as good
