Victim Name <u>(Unreleased)</u>

<p>When I arrived to at the scene - intersection of 10th street and Piedmont Avenue, I saw witnesses recording the event on their cellphones. I spoke to the victim's boyfriend and retrieved the claim "As we were walking up, a car started following slowly behind us. It was a BMW honking its horn. It was just making us uncomfortable really." I then retrieved the witness' videos and separated them. I was told they ignored the car, until the suspect got out of the car, punched the victim in the back of the head and pushed him into the street. The boyfriend tells me "he was yelling 'I'm a Mexican I I'm a Mexican!'" which makes no sense. He was pumping his chest. The couple continued to tell me that they got a picture of the license plate after the suspect got back in the car and drove off. I reported the plate number to an officer at the station and called for back up to apprehend the get away vehicle.</p> <p>Simple assault 118-5-20</p> <p>Simple battery 118-5-23</p>
