Small Engine Repair ,1977 Effective Teaching in Correctional Settings Robert G. Thomas, Murray Thomas, 2008 This book has a dual purpose: to identify problems faced by people who teach in correctional institutions and to propose solutions for those problems. The intent of this book is to help both new instructors as well as current ones perform their jobs effectively. The book is divided into three parts. The first part introduces the reader to the field of correctional education, describing correctional efforts in America, the kinds of facilities, the inmate populations and the controversies, including advocates and critics over providing educational opportunities.
