**Back to Frank Black** Adam Chamberlain, Brian Dixon, Chris Carter, Lance Henriksen, Frank Spotnitz, 2012-10-01 In 1996 a groundbreaking television drama debuted on the Fox network Created by Chris Carter Millennium tells the story of Frank Black Lance Henriksen a legendary forensic profiler gifted with the ability to see into the minds of killers Through his work as a consultant with the F B I and the mysterious Millennium Group the series offers a thoughtful exploration of the nature and manifestations of evil in the modern world Back to Frank Black offers an unprecedented volume of material exploring this landmark series With forewords from Lance Henriksen and Frank Spotnitz and an introduction by series creator Chris Carter the collection features interviews with cast and crew as well as in depth essays analyzing Millennium's characters themes and enduring legacy Inspired by the growing movement to return this iconic hero to the screen Back to Frank Black finds its focus in an incomparable figure of hope Frank Black We need him now more than ever Television Show Trends, 2016-2020 Yvonne D. Leach, Nicholas J. Natalicchio, 2023-12-04 What do Euphoria Normal People Atlanta Ramy Vida I May Destroy You Stranger Things and Lovecraft Country have in common In the 2016 2020 time period they were created these TV shows exemplified one or more of four noteworthy trends authenticity diversity sexual candor and retrospection This is the first book to examine live action fictional television shows produced within a five year period through the lens of the trends that they epitomize For each show the following is discussed the significance of the platform and the format the intentions of the creators and showrunners pertinent background information similar shows and precedents the storytelling approach the cinematic form and finally how the show is emblematic of that particular trend Since trends have the possibility of becoming part of the mainstream they are important to identify as they emerge especially for viewers who have a keen interest in narrative television shows Black and Tired Anthony B. Bradley, 2011-01-24 African American scholar Anthony Bradley understands the growing interest in the intersections of theology and economics emerging in light of Christianity's commitment to loving the poor Local and global disparities in human flourishing call for prudential judgments that wed good intentions with sound economic principles This book tackles the issues of race politics contemporary culture globalization and education by wedding moral theology and economics For readers who enjoy the writings of African American intellectuals like Walter Williams and Thomas Sowell this book will be a breath of fresh air in terms of economics and public policy but is unique because it also explicitly applies Christian moral teachings to today's global concerns *Companion to Contemporary Black British Culture* Alison Donnell, 2002-09-11 The Companion to Contemporary Black British Culture is the first comprehensive reference book to provide multidisciplinary coverage of the field of black cultural production in Britain The publication is of particular value because despite attracting growing academic interest in recent years this field is still often subject to critical and institutional neglect For the purpose of the Companion the term black is used to signify African Caribbean and South Asian ethnicities while at the same time addressing the debates concerning notions of black Britishness

and cultural identity This single volume Companion covers seven intersecting areas of black British cultural production since 1970 writing music visual and plastic arts performance works film and cinema fashion and design and intellectual life With entries on distinguished practitioners key intellectuals seminal organizations and concepts as well as popular cultural forms and local activities the Companion is packed with information and suggestions for further reading as well as offering a wide lens on the events and issues that have shaped the cultural interactions and productions of black Britain over the last thirty years With a range of specialist advisors and contributors this work promises to be an invaluable sourcebook for students researchers and academics interested in exploring the diverse complex and exciting field of black cultural forms in postcolonial Britain

Black Baseball, 1858-1900 James E. Brunson III, 2019-03-22 This is one of the most important baseball books to be published in a long time taking a comprehensive look at black participation in the national pastime from 1858 through 1900 It provides team rosters and team histories player biographies a list of umpires and games they officiated and information on team managers and team secretaries Well known organizations like the Washington s Mutuals Philadelphia Pythians Chicago Uniques St Louis Black Stockings Cuban Giants and Chicago Unions are documented as well as lesser known teams like the Wilmington Mutuals Newton Black Stockings San Francisco Enterprise Dallas Black Stockings Galveston Flyaways Louisville Brotherhoods and Helena Pastimes Player biographies trace their connections between teams across the country Essays frame the biographies discussing the social and cultural events that shaped black baseball Waiters and barbers formed the earliest organized clubs and developed local regional and national circuits Some players belonged to both white and colored clubs and some umpires officiated colored white and interracial matches High schools nurtured young players and transformed them into powerhouse teams like Cincinnati s Vigilant Base Ball Club A special essay covers visual representations of black baseball and the artists who created them including colored artists of color who were also baseballists

**Roomscape** Susan David Bernstein, 2013-03-14 Examines the Reading Room of the British Museum using documentary theoretical historical and literary sources Roomscape explores a specific site the Reading Room of the British Museum as a space of imaginative potential in relation to the emergence of modern women writers in Victorian and early twentieth century London Drawing on archival materials Roomscape is the first study to integrate documentary historical and literary sources to examine the significance of this space and its resources for women who wrote translations poetry and fiction This book challenges an assessment of the Reading Room of the British Museum as a bastion of class and gender privilege an image established by Virginia Woolf s *A Room of One s Own* Roomscape also questions the value of privacy and autonomy in constructions of female authorship Rather than viewing reading and writing as solitary Roomscape investigates the public social and spatial dimensions of literary production The implications of this study reach into the current digital era and its transformations of practices of reading writing and archiving Along with an appendix of notable readers at the British Museum from the last two centuries the book contributes to scholarship on George Eliot Amy Levy
