The God Connection:

The God Connection Bethany Hicks, 2021-07 God's desire from the creation of the earth is to have regular and intimate connection with those He loves you and me. The foundation for any true relationship is communication. God never intended for us to live a life without full access to His voice, but we often dismiss the voice of God because we think that we are making it up or we live unaware of the many ways that God speaks. The truth is every human being has been hardwired in their spirit, soul, and body to regularly and consistently connect with God. In this powerful book, pastor, trainer, and author Bethany Hicks will equip you to discover the primary ways you were created to connect with God. Expand your ability to recognize the various ways God speaks to you. Enlarge your confidence to discern His voice and respond appropriately. God wants you to become confident as His son or daughter to know His voice. Get ready to live in the full assurance that you can recognize and respond to the voice of God and live with the full benefits of your God Connection. *The God Connection* Basil

Gala, 2024-11-19 After all, why should not some humans be like angels? If our spirit has the same origin and the same destination, we're but pilgrims on the Earth. Documented throughout various times, cultures, religions, and geographical locations are stories of spiritual events that transcend the human experience beyond the limits of the physical body. Many have sought answers for how it may be possible that a human is comprised of both immaterial consciousness and physical matter. After all, physical evidence suggests a distinct connection between life and the functionality of the body. However, first-hand experiences passed down through global oral traditions and among present humans suggest the existence of the spiritual realm. *The God Connection* is a philosophical treatment of both the savory and unsavory aspects of religion and the belief in a higher power. Written in simple and direct English, it embodies scientific insights as well as inspirational passages while also considering the negative implications of corrupt religious practices in tandem with the benefits of sound mystical explorations. Join Dr. Basil Gala in this personal adventure into spiritual thought and meditation, complemented with scholarly research of the histories and achievements of great religious movements worldwide. THE GOD CONNECTION Carolyn R.

Scheidies, 2014-09-20 Through verse, quotes, and scripture, this book reveals God in a new real way. Not religion or tradition, this easy-to-digest volume helps you find a true God connection to help you through both good times and tough. **Autism**

Experiential God Cameron Bascom,2019-12-18 While God desires us to experience Him intimately and passionately every day we still often see boredom and a lack of excitement regarding life with God What exactly is the problem Could it be that we are bored and no longer see ourselves involved in the biblical experience of Christianity Could it be that we have allowed guilt and shame to plague our lives and steal our freedom Could it be that we have not stepped into the calling God has on our lives These are huge possibilities However there is good news The good news is for the Christian We serve a God who can be experienced today Experiential God is a call to the distant and distracted It is an invitation into the experience God intends for His people **Feasting on the Word: Pentecost and season after Pentecost 1 (Prophers 3-16)** David Lyon Bartlett,Barbara Brown Taylor,2009-01-01 We have been honored to work with a multitude of gifted thinkers writers and editors We present these essays as their offering and ours to the blessed ministry of preaching From the introduction by David L Bartlett and Barbara Brown Taylor Book Jacket **God, the World, and Hope** Harald Hegstad,2018-10-31 Who is Jesus Christ What does it mean to say that we are created in the image of God What does salvation mean What is the meaning of baptism What characterizes the Christian fellowship What hope does a Christian faith give for the future These are only a few of the questions that this textbook on dogmatics takes up This book begins the discussion of the various topics by looking at what the Bible has to say Hegstad then examines how the church s doctrine has developed over the course of history and discusses how the Christian faith can best be formulated today This book understands the Christian faith as an answer to universal existential questions that challenge all religions and worldviews Dogmatics is understood here as the expression of a Christian interpretation of life Hegstad himself belongs to the Lutheran church tradition but his perspective is consistently ecumenical This introduction to dogmatics will interest not only students but everyone who is looking for a deeper insight into the Christian faith *The Visible and the Invisible Reality* Helena Lettau,2012-07-25 Semi autobiographical telling the story of two intertwined journeys an Earthly one and a spiritual one In part an exploration of spirituality and paranormal phenomena which in the German language is known as GRENZWISSENSCHAFT and may be translated into English as Borderline Science Experimental work is involved It deals with esoteric philosophy parapsychology
