The Gold Of Revelation:

The Theology of the Book of Revelation Richard Bauckham,1993-03-04 The Book of Revelation is a work of profound theology But its literary form makes it impenetrable to many modern readers and open to all kinds of misinterpretations Richard Bauckham explains how the book s imagery conveyed meaning in its original context and how the book s theology is inseparable from its literary structure and composition Revelation is seen to offer not an esoteric and encoded forecast of historical events but rather a theocentric vision of the coming of God s universal kingdom contextualised in the late first century world dominated by Roman power and ideology It calls on Christians to confront the political idolatries of the time and to participate in God s purpose of gathering all the nations into his kingdom Once Revelation is properly grounded in its original context it is seen to transcend that context and speak to the contemporary church This study concludes by highlighting Revelation s continuing relevance for today

The Biblical Case for Gold Judd F. Allen,2023-10-30 For over 1 400 years in ancient Israel the Sanctuary Tax was unchanged God had created a sound monetary system that experienced no inflation despite wars royal intrigue foreign invaders and 70 years spent in Babylonian captivity Furthermore the prophet Ezekiel describes a third temple to be built 5 50 or 500 years from now In this future temple the Sanctuary Tax is the same as it was in the days of Moses So what s the answer A partial answer is discovered in the Hebrew word shekel The definition of shekel is weight As recently as the 18th Century the British Empire had two centuries of no inflation During this period bank clerks salaries were unchanged for a century all because of no inflation With paper currencies the world s monies have lost their weight Consequently this book offers alternatives for 21st Century citizens to help protect their finances and have more control over their assets regardless of the evening news

Zechariah's Hope casebound David C Coldwell, 2018-02-13

The Book of Zechariah may be one of the least read books in the Bible For the past twenty years I have taught the Bible to pastors in Asian countries where life is difficult for them My pattern was to begin each day with a devotional that would apply specific Bible lessons to their lives When I started giving devotional thoughts from Zechariah I learned that the Asian pastors had a keen interest in that prophet They would often ask questions or share their thoughts about Zechariah long after our devotional had ended I believe that a daily time with the Lord is essential for believers who desire to serve Him in this knotty world According to Proverbs life is a series of choices between which roads we will travel We decide daily to either take the path of the righteous or the way of the wicked We choose regularly to either walk on the path of the wise person or stroll along the way of the fool

'Gold Tried in the Fire'. The Prophet TheaurauJohn Tany and the English Revolution Ariel Hessayon,2016-12-05 This is a study of the most fascinating and idiosyncratic of all seventeenth century figures Like its famous predecessor The Cheese and The Worms The Cosmos of a Sixteenth Century Miller it explores the everyday life and mental world of an extraordinary yet humble figure Born in Lincolnshire with a family of Cambridgeshire origins Thomas Totney 1608 1659 was a London puritan goldsmith and veteran of the Civil War In November 1649 after fourteen weeks of self abasement fasting and prayer he experienced a profound spiritual transformation Taking the prophetic name TheaurauJohn Tany and declaring himself a Jew of the Tribe of Reuben descended from Aaron the High Priest he set about enacting a millenarian mission to restore the Jews to their own land Inspired prophetic gestures followed as Tany took to living in a tent preaching in the parks and fields around London He gathered a handful of followers and in the week that Cromwell was offered the crown infamously burned his bible and attacked Parliament with sword drawn In the summer of 1656 he set sail from the Kentish coast perhaps with some disciples in tow bound for Jerusalem He found his way to Holland perhaps there to gather the Jews of Amsterdam Some three years later now calling himself Ram Johoram Tany was reported lost drowned after taking passage in a ship from

Brielle bound for London During his prophetic phase Tany wrote a number of remarkable but elusive works that are unlike anything else in the English language His sources were varied although they seem to have included almanacs popular prophecies and legal treatises as well as scriptural and extra canonical texts and the writings of the German mystic Jacob Boehme Indeed Tany's writings embrace currents of magic and mysticism alchemy and astrology numerology and angelology Neoplatonism and Gnosticism Hermeticism and Christian Kabbalah a ferment of ideas that fused in a millenarian yearning for the hoped for
