The Great Bedroom Escape Guide:

The Great Escape Dorothy Johnson,2007-12 Dorothy D Johnson's The Great Escape Background and Memoirs of the Liberian Civil War is an intriguing account of the years of deteriorating living conditions and political stalemate that gave rise to the Liberian Civil War. It reveals a woman and her family's plight and struggle for survival amidst shooting, bombing, and the mental and physical torture carried out by gun-toting and drug-addicted rebels. The memoirs unfold the daily encounters and struggles in the bushes, village, and church. It also shows the author's deep faith in the Lord coupled with her perseverance and resilience in the face of discouragement as she and her family trudged along slowly to safety and eventually into freedom.
