Captain Damnation and Other Strange Tales Harry Riley, 2010-05-28 As an unashamed admirer of Charles Dickens Sir Arthur Conan Doyle Edgar Allan Poe and Roald Dahl s quirky tales I have added a touch of my own black humour to this collection of short stories My earliest childhood memories of blood curdling yarns on the radio spoken by a man with a dark sepulchral voice have left me with a lifetime s passion for what were once known long before my time I might add as Penny Dreadfuls or American Dime Novels lurid tales of mysterious mayhem designed to deliciously shock and horrify our impressionable young minds Science can explain away so many mysteries but it is often the creepy unexpected that trips you up and opens the door to superstitious dread However where my tales have a ghostly theme running through them they will often have a perfectly rational explanation Occasionally they may even raise a smile or two Modern lives are driven at such a fast pace with all the demands on our time and leisure that we often try and fit twenty five hours into every working day thus leaving very little space to absorb and do justice to the full length novel This is why I believe the Ten Minute Tale has a place to lift us out of the mundane I hope you enjoy these offerings as you cherry pick your path along life s crooked highway Book reviews online PublishedBestsellers website **The Cardinal's Court** Cora Harrison, 2017-04-06 To shoot a man on the
