The Imitation Of Christ:

The Imitation of Christ Thomas A. Kempis, 2019-03-26 The treatise *Of the Imitation of Christ* appears to have been originally written in Latin early in the fifteenth century Its exact date and its authorship are still a matter of debate Manuscripts of the Latin version survive in considerable numbers all over Western Europe and they with the vast list of translations and of printed editions testify to its almost unparalleled popularity With the exception of the Bible no Christian writing has had so wide a vogue or so sustained a popularity as this And yet in one sense it is hardly an original work at all Its structure it owes largely to the writings of the medieval mystics and its ideas and phrases are a mosaic from the Bible and the Fathers of the early Church But these elements are interwoven with such delicate skill and a religious feeling at once so ardent and so sound that it promises to remain what it has been for five hundred years the supreme call and guide to spiritual aspiration [The Imitation of Christ](#) Thomas (à Kempis), 1888 *The Imitation of Christ* Thomas à Kempis, 2009-12
