**The Revelatorium** Delahnnovahh-Starr Livingstone, 2014-04-20 A brilliantly startling book The Revelatorium reveals the entire Intelligent Design of Creation comprising the actual Principles and Rules by which all of Creation has been blueprinted and expressed and which has never been revealed before Mankind before The Revelatorium is about Reality where Reality includes the nine hundred trillion light year Universe on the other side of the veil

**The Intelligent Design of Creation** Delahnnovahh-starr Livingstone, 2017-06-12 By the time you have finished reading the Intelligent Design of Creation you will know for a certainty that a higher dimensional Universe exists Creation is not of itself made nothing exists for nothing nothing in Creation has nothing to do that Creation exists solely though an Intelligent Design formulated by the Creators to expand themselves within themselves according to rule there is aught in Creation not of the Design and you will also know for a certainty that the Creators exist because if there is a Design there has to be a Designer You are not yet aware of the Intelligent Design because you have not yet been made aware of the Principles of Creation Your entire world view is held in a stygian deep of stagnant errant thought known as the Mentallized Illusion The Mentallized Illusion is the accumulated product of your wayward thinking over the last three and a half million years Because of the illusion your current notions about Reality are completely misconstrued You believe the entirety of Creation is a fourteen billion year old Universe In Reality Creation is over nine hundred trillion light years across and still within its infancy You

believe that Creation started out with a single big bang just over fourteen billion years ago Creation started from an absolutely single point Point and Center after the ending of the Antiquities of the Silences untold eons ago and has been expanding ever since step by step instead of all at once By work of the Design the Creators have been converting themselves from out their original causeless ill fated formulation of Intelligent Breath and Tiny Particles of Substance into their caused everlasting Trinity formulation of Intelligence Energy and Substance called Creation by their Will Desire and Action The Cosmos is not trivial The current Outer Creation is over nine hundred trillion light years across and still within its infancy Every Starr in every galaxy has a potential family of twelve planets Every planet has a population in its fifth dimension The fifth dimension is the bottom line of Creation Creation in total comprises the fourteenth dimension to the first The Holy Trinity is the entirety of the fifteenth dimension On only a very small handful of twenty five hundred planets does a 3D population also exist in the third dimension ill consequence of the Luciferian Self Will Rebellion of the Cosmic Overplus five billion years ago A mammoth inter dimensional clean up in the aftermath of the Rebellion is already well underway as that you call Armageddon Similarly great 5D cosmic events are beginning to occur on Earth in significant number Including a new twenty five thousand year Dispensary cycle a new two hundred and fifty thousand year Evolutionary cycle a new two hundred and fifty million year Galactic cycle plus a new anti matter Super Universe is starting up in Andromeda by bifurcation with Earth right in the middle of the point of bifurcation All part and parcel of the out workings of the Intelligent Design You are not on Earth by coincidence The version of the Intelligent Design as revealed herein is in the most simplistic yet comprehensive form ever yet presented in front of Creation The design is dirt simple and able to produce Creative result without limit

**The Revelatorium of Alpha and Omega** Delahnnohahh-Starr Livingstone of Uversa,2014-12-19

Paperback full colour 372 pages If you are ready to see the Universe through the eyes of those in different solar systems in different parts of the Universe then you are ready to read The Revelatorium of Alpha and Omega because that is exactly what it is The Great Book is being opened at last and the Revelatorium is the lead in It has been said that there are only two kinds of truths those which you read up and those which you make up This is incorrect The two are better stated as those which Man believes and those which are so in Reality For example Man believes the Universe is fourteen billion light years across In Reality the Universe is over nine hundred trillion light years across and still within its infancy The Revelatorium is about Reality Likewise Man believes the Universe is complex beyond belief In actuality the entirety of Reality can be summed up in one simple sentence Nothing exists for nothing the Universe is not of itself made and nothing in it has nothing to do Likewise you do not know the true nature of God because you do not know the true nature of Reality You believe that God is a Father Son and Holy Ghost For two thousand years now the answer has been hidden in plain view The last page of the Revelations states I am Alpha and Omega the first and the last and therein lies the rub You do not know who Alpha and Omega are because you do not know the true nature of the Holy Trinity In Reality Alpha is our Father Omega is our Mother and the

consciousness of their only Begotten Son Daughter is known everywhere as Christ The three together are known throughout Creation as the Holy Trinity As above so below This is where the Universe began not with a bang but with Will Desire and Action Again as above so below     *The Revelatorium of Alpha and Omega* Delahnnohahh-starr Livingstone,2017-05-12 Paperback full color 239 pages The Piscean Age has ended and the Age of Aquarius has arrived The Great Book is being opened at last The great Mysteries of the Cosmos are at long last being revealed The Waters of Truth have begun outpouring and for the next two thousand years you will expand in consciousnesses all the way At the end of Aquarius you will be back up in the fifth dimension where you belong The Cosmos is not trivial The current Outer Creation is over nine hundred trillion light years across and still within its infancy Every Starr in every galaxy has a potential family of twelve planets Every planet has a population in its fifth dimension The fifth dimension is the bottom line of Creation Similarly Cosmic events are beginning to occur on Earth in great number Including a new twenty five thousand year Dispensary cycle a new two hundred and fifty thousand year Evolutionary cycle a new two hundred and fifty million year Galactic cycle plus a new anti matter Super Universe is starting up in Andromeda by bifurcation with Earth right in the middle of the point of bifurcation You are not on Earth by coincidence The Revelatorium also reveals the Intelligent Design by which all Creation has been blueprinted and expressed The Revelatorium is a given manual for ascension back to the fifth dimension The Revelatorium has a lot to tell you     *Intelligent Design: The Witness of Creation Series Volume One* Billy Crone,2017-10-05 Over ninety years ago the Scopes Monkey trial seemed to become the driving force where evolutionary teachings were eventually put into our schools and prayer and Bible reading were taken out At this time the evolutionists claimed that Biblical Creationists were being intellectually bigoted by excluding evolutionary teachings But now we actually have this premise in reverse Evolutionists truly are being intellectually bigoted by excluding the scientific facts of Biblical Creationism Therefore the stage is once again set to for the battle of our origins and our minds Some are even calling it the modern day Scopes Monkey trial It s the battle over Intelligent Design Therefore this book Intelligent Design takes a look at the hardcore scientific data that logically reveals how all of life was intelligently designed implying an Intelligent Designer namely God     *Why Intelligent Design Fails* Matt Young,Taner Edis,2004 Historically religious scriptures are defined as holy texts that are considered to be beyond the abilities of the layperson to interpret Their content is most frequently analyzed by clerics who do not question the underlying political or social implications of the text but use the writing to convey messages to their congregations about how to live a holy existence In Western society moreover what counts as scripture is generally confined to the Judeo Christian Bible leaving the voices of minorities as well as the holy texts of faiths from Africa and Asia for example unheard In this innovative collection of essays that aims to turn the traditional bible study definition of scriptures on its head Vincent L Wimbush leads an in depth look at the social cultural and racial meanings invested in these texts Contributors hail from a wide array of academic fields and geographic locations and include such noted academics as Susan Harding Elisabeth

Shussler Fiorenza and William L Andrews Purposefully transgressing disciplinary boundaries this ambitious book opens the door to different interpretations and critical orientations and in doing so allows an ultimately humanist definition of scriptures to emerge In Search of the Intelligent Design Pieter Van Klaveren,2006-06-14 The Intelligent Design presents a creation model that definitively reveals in a logically unfolding framework that God is the designer and creator of the universe **The Radionnic Ships of the Heavenly Host** Delahnnovahh-starr Livingstone,2017-04-12 The Radionnic Ships of the Heavenly Host is a wonderful book for visionaries a book that beautifully illustrates the truth about the Radionnic Ships and how close they are to us The author contends that these ships have been hiding in plain sight for thousands of years But most recently in the age of Aquarius these ships have decided to be more revealing to humanity and anyone can see them Delahnnovahh Starr Livingstone leads readers into a stunning discovery with awesome photographic images that will convince anyone that what appears merely as a Chemtrail or cute lamb could actually be something of greater mystery I picked this book out of sheer curiosity but it felt like a powerful mysterious hand drove me to it I have never believed in UFOs or heavenly bodies thrusting through the sky No I have always believed in mysteries that are veiled from human eyes but this book was able to make me change that belief The author masterfully teaches readers to see beyond the obvious to discover powerful manifestations of The Radionnic Fleet of the Heavenly Host in the clouds and does so by providing ample and undeniable proof to readers The images are very powerful and compelling unalloyed and utterly arresting Readers will find the accompanying commentaries very interesting written for the average reader and in compelling prose In this book you will know how to identify a Radionnic Ship and determine which kind of ship you are looking at This is a book that is revelatory and entertaining After you read this book you will never see clouds in the same way By Christian Sia for Readers Favorite Facts of Intelligent Design of Creation and Facts I Am Being Radio-Waved Christian C. Pennock,2001-12-21 The last decade saw the arrival of a new player in the creation evolution debate the intelligent design creationism IDC movement whose strategy is to act as the wedge to overturn Darwinism and scientific naturalism This anthology of writings by prominent creationists and their critics focuses on what is novel about the new movement It serves as a companion to Robert Pennock s Tower of Babel in which he criticizes the wedge movement as well as other new varieties of creationism The book contains articles previously published in specialized hard to find journals as well as new contributions Each section contains introductory background information articles by influential creationists and their critics and in some cases responses by the creationists The discussions cover IDC as a political movement IDC s philosophical attack

on evolution the theological debate over the apparent conflict between evolution and the Bible IDC s scientific claims and philosopher Alvin Plantinga s critique of naturalism and evolution The book concludes with Pennock s Why Creationism Should Not Be Taught in the Public Schools **Intelligent Design as Proof of Creation** Uditha Jayatunga,2023-10-13 Intelligent Design goes well beyond the evolution debate This book explores the science of this vast subject from the universe to life as well as going down to cells and DNA It argues that the origin of first life complexities of a cell unparallel information system in DNA and many perfect systems seen in all life can only come from intelligence It also draws evidence from lesser explored topics such as the brain the most complex in the universe power of the zygote superior animal features phylogenetics microbiome development of sexes in new species physiology and fine tuning of over 200 parameters in the universe solar system the earth as well as in the environment needed for life It dissects fallacies and the limitations of Darwinism falling well short of the biological complexities of all life While agreeing with micro evolution which is a drop of water in the ocean of macroevolution It concludes the impossible task of producing 8 7 million species with just two mechanisms of Darwinian theory namely random mutations and natural selection Evidenced by purpose and fine tuning at every level of complexity this book gives proof of Intelligent Design based on undisputable mathematical probabilities

Creation, Evolution, and Intelligent Design Guillermo Gonzalez,Jay Wesley Richards,2013 What are creationism evolution and intelligent design really about Has materialism displaced God as the best explanation for our existence Jay Richards and Guillermo Gonzales serve up a guide for the perplexed **The Deliberate Design of Destiny** Theodore A.

Green,2009-05-06 Ps 71 1 In thee O LORD do I put my trust let me never be put to confusion The Deliberate Design of Destiny incorporates the great and courageous recent works of intelligent design scientists into a workable theory This book answer the Who What When Where Why and How of creation from the Intelligent Design perspective Understand the mystery kept secret since the world began Rom 16 25 The world blunders in confusion because largely the academic and industrial science institutions confuse the origins of human destiny and purpose Their aversion to faith and their exclusion of God confuses their efforts to understand this Mystery keep secret since the world began The Deliberate Design of Destiny explores the reason people society and nations do not comprehend creation s design and purpose and become doomed to confusion and chaos It explains how this ignorance allows the enemy of God to manipulate the world of men unto a destiny of destruction

**Intelligent Design: The Witness of Creation Series Volume One** Crone Billy,2017 **Facts of Intelligent Design of Creation and Facts I Am Being Radio-Waved** Christian C. Nwobi,2006-03-20 The book has applications for understanding God works while it provides to living a meaningful productive life in God s kingdom bearing in mind that God s kingdom is here on planet earth and other planets God created everything and made the earth his own abode We can only search and reach God where there is life and the earth is the only such place in the body of the living While this book is not attacking anyone or any arranged order of peaceful co habitations the book challenges the tutorials of most if not

all orders applying the teaching of God outside creation and or life In all and everything created God is one yet lives in each of us individually until death This foundation has been with the creation of beings For any fundamentalism to present differing is a clash of and with creation The Egyptians the Romans etc are those who in the ages before Christ Jesus made their dead kings gods And in that premises of proclaiming dead men gods they worship the dead rather than the living The children of Israel as a whole be them the Africans by their tradition or of their Jewish brethren in the Middle East are the only group who of belief in God the Omnipresence have refrained from worshiping idols They believe in the God of their fathers and forefathers as the intelligent that designed creation The book also seek assistance and input of those in sciences or of persons who would otherwise know how to combat the crime of radio wave to come forward and assist in that need to fight the crime
