

I am haunted by the ghost of my father,  
I think that should allow me to quote  
Hamlet as much as I please. You used to  
be quite fond of Shakespeare, Prospero.

**Once a Week** Eneas Sweetland Dallas, 1870     A Runner Among Falling Leaves Ciaran O'Driscoll, 2001-01-01 A photograph of poet Ciaran O Driscoll taken when he was eight or nine by his father shows a radiantly smiling child seemingly at home with his family and the world But that photo is an anomaly the boy's face was far more often darkened by a pensive distant frown The sources of O Driscoll's adolescent melancholy and its lingering traces in his adult life are the subject of his evocative memoir A Runner Among Falling Leaves Born in Kilkenny Ireland in 1943 Ciaran O Driscoll grew up in a home shadowed by the bullying and abuse of his father The violence O Driscoll suffered at the hands of his father in his home was traumatic but in many respects it paled in comparison to the public humiliation his father meted out to the boy at school

where he served as O Driscoll's teacher. The dual role his father played left the child no place of refuge, no escape from the constant mental cruelty and physical pain and the scars of that upbringing continue to haunt the author today. In crystalline prose, O Driscoll gives voice to the silent child in his memories, exploring the unnerving roiling emotions of those years from the perspective of adulthood. The story moves back and forth from the boy to the man as O Driscoll reconstructs his lost childhood in order to unearth the roots of the man he has become. Lyrical, affecting, and even at times darkly comic, *A Runner Among Falling Leaves* is an unforgettable portrait of an Irish boyhood. **Meanjin Crossing** Ian Hamilton, 2014-06-03 Will Traverse is a war baby, a Brisbane boy, and in later life a taciturn and solitary retired engineer. But there is another side to Will: romantic, lyrical, and deeply sensitive to the culture of the original inhabitants of this part of South East Queensland. His work on a novel about the impact of the arrival of the Europeans coincides with the unexpected rekindling of a lost love. As he and Mary Wright hesitantly rediscover their mutual affection, the long arc of their own story becomes interwoven with Will's emerging novel. Together, the two stories reveal layers of history of the Brisbane region, a metropolis radically transformed again within Will's lifetime. *Meanjin Crossing* ends enigmatically, a mix of sadness and hope, and certainty that the story is not over. **Death Watch** Ari Berk, 2011-11-15 They say the dead should rest in peace. Not all the dead agree. This start to *The Undertaken* trilogy is a thought-provoking gothic fantasy and a genuinely eerie tale. Publishers Weekly. When Silas Umber's father Amos doesn't come home from work one night, Silas discovers that his father was no mere mortician but an Undertaker who worked to bring The Peace to lost and wandering souls. With Amos gone, Silas and his mother move back to Lichport, the crumbling seaside town where he was born, and Silas seizes the opportunity to investigate his father's disappearance. When his search leads him to his father's old office, he comes across a powerful artifact, the Death Watch, a tool that allows the owner to see the dead. Death Watch in hand, Silas begins to unearth Lichport's secret history and discovers that he has taken on his father's mantle as Lichport's Undertaker. Now Silas must embark on a dangerous path into the Shadowlands to embrace his destiny and discover the truth about his father, even if it kills him. Critically acclaimed folklorist Ari Berk explores the worlds of the living and the dead and the relationships between parents and children in a novel steeped in lore, mystery, and magic. *The Poetry of Dylan Thomas* John Goodby, 2013-07-31 An important reappraisal of the poetry of Dylan Thomas in terms of modern critical theory. [Politics and Romance in Shakespeare's Four Great Tragedies](#) Kenneth Usongo, 2017-05-11 This study of the political and romantic impulses of Shakespeare's tragic characters, including Macbeth, King Lear, Hamlet, Othello, and Iago, among others, discusses the overblown ambition of these characters as they embrace cunning and evil in order to acquire power and romance. The excessive ambition shown by these characters fuels action in the plays and significantly contributes to their downfall. In other words, the book interrogates, in a pluralist critical frame, the forces behind the quest for power and romance by Shakespeare's protagonists and explores how these forces propel the. *Reading the Written Image* Christopher Collins, 2011-04-30 *Reading the Written Image* is a study of the

imagination as it is prompted by the verbal cues of literature Since every literary image is also a mental image a representation of an absent entity Collins contends that imagination is a poesis a making up an act of play for both author and reader The willing suspension of disbelief which Coleridge said constitutes poetic faith therefore empowers and directs the reader to construct an imagined world in which particular hypotheses are proposed and demonstrated Although the imagination as a central concept in poetics emerges into critical debate only in the eighteenth century it has been a crucial issue for over two millennia in religious philosophical and political discourse The two recognized alternative methodologies in the study of literature the poetic and the hermeneutic are opposed on the issue of the written image poets and readers feel free to imagine while hermeneuts feel obliged to specify the meanings of images and failing that to minimize the importance of imagery Recognizing this problem Collins proposes that reading written texts be regarded as a performance a unique kind of play that transposes what had once been an oral dramatic situation onto an inner imaginary stage He applies models drawn from the psychology of play to support his theory that reader response is essentially a poietic response to a rule governed set of ludic cues
