A famous actor pulls a trigger in the presidential balcony leaps to the stage and escapes as the president lies fatally wounded
In the panic that follows forty six terrified people scatter in and around Ford s Theater as soldiers take up stations by the
doors and the audience surges into the streets chanting Burn the place down This is the untold story of Lincoln s
assassination the forty six stage hands actors and theater workers on hand for the bewildering events in the theater that
night and what each of them witnessed in the chaos streaked hours before John Wilkes Booth was discovered to be the
culprit In Backstage at the Lincoln Assassination historian Thomas A Bogar delves into previously unpublished sources to tell
the story of Lincoln s assassination from behind the curtain and the tale is shocking Police rounded up and arrested dozens of
innocent people wasting time that allowed the real culprit to get further away Some closely connected to John Wilkes Booth
were not even questioned while innocent witnesses were relentlessly pursued Booth was more connected with the production
than you might have known learn how he knew each member of the cast and crew which was a hotbed of secessionist
resentment Backstage at the Lincoln Assassination also tells the story of what happened to each of these witnesses to history
after the investigation was over how each one lived their lives after seeing one of America s greatest presidents shot dead
without warning Backstage at the Lincoln Assassination is an exquisitely detailed look at this famous event from an entirely
new angle It is must reading for anyone fascinated with the saga of Lincoln s life and the Civil War era **Red Hall; Or,
