

THE GREAT GATSBY

F. SCOTT FITZGERALD

Gatsby believed in the green light, the orgastic future that year by year recedes before us. It eluded us then, but that's no matter—tomorrow we will run faster, stretch out our arms farther.... And one fine morning—

So we beat on, boats against the current, borne back ceaselessly into the past.

massive phony profits even now and how a new generation of Masters of the Universe has come to dominate the world

Spectres of 1919 Barbara Foley,2010-10-01 A look at the violent Red Summer of 1919 and its intersection with the highly politicized New Negro movement and the Harlem Renaissance With the New Negro movement and the Harlem Renaissance the 1920s was a landmark decade in African American political and cultural history characterized by an upsurge in racial awareness and artistic creativity In Spectres of 1919 Barbara Foley traces the origins of this revolutionary era to the turbulent year 1919 identifying the events and trends in American society that spurred the black community to action and examining the forms that action took as it evolved Unlike prior studies of the Harlem Renaissance which see 1919 as significant mostly because of the geographic migrations of blacks to the North Spectres of 1919 looks at that year as the political crucible from which the radicalism of the 1920s emerged Foley draws from a wealth of primary sources taking a bold new approach to the origins of African American radicalism and adding nuance and complexity to the understanding of a fascinating and vibrant era

Notes from a Restricted Land M.H. Williams,2023-08-18 Have you ever wondered how your life would be if you were forced to exist in a place called Restricted Land Many of you are unaware of this mysterious location and the reasons why it remains unknown to you In this seemingly fictional and implausible country its inhabitants are burdened with harsh realities and endless suffering Their simple aspirations for life and freedom are unattainable due to the oppressive environment in which they reside In *Notes from a Restricted Land* freedom is constrained life is limited and the expression of femininity is an ongoing struggle for the women trapped within its borders These individuals are merely puppets manipulated by an oppressive government unable to embrace their true selves Rather than allowing personal growth and individuality the dogmatic regime enforces strict conformity upon its citizens The situation in this restricted land is far more intricate than a mere collection of rules it represents a system of dominant beliefs that devastate the lives of countless individuals While regulations can serve a purpose the oppressive beliefs upheld in this country shatter the hopes and dreams of millions
