The Hand Of Justice:

Buffalo Bill's Pursuit; Or, The Heavy Hand of Justice Prentiss Ingraham, 2025-08-16 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *Forcing the Hand of Justice* Joel Lefevre, 2021-05-17 On October 18 2011 Joel and his family's life changed forever when his older brother and best friend Mathieu was hit and killed by the driver of a 28 ton crane truck Mathieu an artist was riding his bike home from his art studio in Brooklyn NY The tragedy made headlines on CNN the New York Times the Wall Street Journal Maclean's Magazine the CBC and many other news agencies in Canada and the US Through his eyes Joel gives first hand knowledge of what it's been like to go up against one of the world's largest police forces the NYPD It took Joel and his family six years to discover the truth about how his brother was killed In his own straight forward and heartfelt way Joel speaks of the grief sadness anger and frustration he felt during his family's long fight for justice Joel was inspired to write this story to raise awareness about traffic safety and to show others who are victims of injustice that they have a voice and that they can make a difference He hopes his story will inspire others who are struggling against injustice

The Ghosts of Justice Ashok Kara, 2001 It is not possible to read Heidegger's text without the image of his arm raised in the Nazi salute haunting it The image compels us to examine Heidegger's philosophy in terms of its susceptibility to Nazi ideology Heidegger's philosophy was inscribed at the end of the history of philosophy a time when Nazism was on the rise and on its way to the renewal of German destiny In paragraph six of *Being and Time* Heidegger outlined his agenda for the renewal of philosophy The renewal necessitated the destruction of the errant history of ontology in order to retrieve the pure primordial experiences The parallels between the forms of two agendas are coincidental However my work shows where they overlapped I explore the consequence of this overlap by soliciting the first text of philosophy The Anaximander Fragment that speaks about justice and injustice Justice is also at issue in the text of Jacques Derrida Derrida's primary resource is paragraph six of Heidegger's *Being and Time* a fact that caused some of his readers to assimilate him to Heidegger Derrida has tried to distance himself from Heidegger and in a late text he has offered us the prescriptive phrase Deconstruction is justice to guide our reading of his text The phrase invites us to examine Derrida's work in light of its saying This is what I try to do I show that a separation cannot be accomplished without a price because whether an author intends it or not justice is something ghostly and it keeps its own account Heidegger's arm and Derrida's hand caught in the trap of paragraph six tell another story different from the stories the authors tell The limbs tell the story about the ghosts of justice
