The Happy Prince The Selfish Giant A Class Project:

Project-Based Learning Applied to the Language Classroom Juliana Franco Tavares/ Louise Emma Potter, 2018-03-05 In *Project Based Learning Applied to the Language Classroom* the authors propose a way to develop PBL in the language classrooms taking into account all of the obstacles and specifics involved in teaching a foreign language It is about teaching English as a second or foreign language using Project Based Learning PBL We approach this combination because many people seem to think about implementing PBL in their language classes and ask questions about how to do it but feel that there aren't enough materials based on this methodology In fact most researchers and writers we have come across discuss the applications of PBL in the students mother tongue to subjects such as Math History Literature Social Studies and Science However there are few published works about the specifics of PBL in foreign language classes Besides it seems obvious to us that the main difficulty in developing projects in a second or foreign language lies exactly on the fact that communication may be hindered when students do not have enough knowledge in the target language Teaching Fiction in the Primary School Dennis Carter, 2013-12-19 Designed for practising and student teachers working with a wide range of narrative fiction in infant and junior classrooms this text highlights the creative and expressive aspects of children's engagement with literature and provides Literacy Hour projects for each age group **Teaching**, 1932 **The Bulletin of the National Association of Secondary School Principals** National Association of Secondary School Principals (U.S.), 1961

Hibbard, 2002 The present collection of essays is the outcome of the Oscar Wilde conference held at the Technical University of Dresden 31 August 3 September 2000 The papers cover a wide range of historical and comparative aspects they look into the status of Wilde as poet dramatist essayist and intellectual during his own times as well as investigate the meaning of his work for subsequent writers and critics thus giving an outline of the Wildean history of literary reception intellectual discourse and media transformation Intellectually brilliant and challenging Oscar Wilde had been a favourite of the late Victorians performing the roles of the dandy and the poet of art for art's sake However due to his questioning of prevalent moral double standards and his insistence on the autonomy of art he was indicted for gross indecencies convicted and sent to prison Instead of being ostracised he became a source of inspiration for writers and artists on the British isles as well as on the European continent The papers in this volume explore such topics as Wilde's concepts of socialism and aestheticism his fashioning of the femme fatale and of the dandy his use of fashion and of simulation his impact on modernism and postmodernism as well as on genres such as crime writing and fictional biography and the influence of Wilde on writers such as James Joyce W B Yeats Joe Orton Peter Ackroyd Tom Stoppard David Hare and Mark Ravenhill

Other papers focus on the reception of Wilde in Russia former Yugoslavia Hungary and Germany as well as on cinematic and Internet representations of Wilde Critical and creative responses vary from the general to the specific from traditional assessments to analyses of the arts of camp parody and pastiche thus indicative of the sub cultural appropriation of Saint Oscar Terry Eagleton Selected works (20+ masterpieces) of Oscar Wilde Oscar Wilde,2021-02-01 Selected works of Oscar Wilde from the series Best of the Best is the book that everyone should read to understand themselves and each other The authors and works for this book series were selected as a result of numerous studies analysis of the texts over the past 100 years and the demand for readers It must be read in order to understand the world around us its history to recognize the heroes to understand the winged expressions and jokes that come from these literary works Reading these books will mean the discovery of a world of self development and self expression for each person These books have been around for decades and sometimes centuries for the time they recreate the values they teach the point of view or simply the beauty of words This volume of the Best of the Best series includes famous works THE IMPORTANCE OF BEING EARNEST THE PICTURE OF DORIAN GRAY AN IDEAL HUSBAND THE CANTERVILLE GHOST THE HAPPY PRINCE THE NIGHTINGALE AND THE ROSE THE SELFISH GIANT THE DEVOTED FRIEND THE REMARKABLE ROCKET THE YOUNG KING THE BIRTHDAY OF THE INFANTA THE SOUL OF MAN THE FISHERMAN AND HIS SOUL THE STAR CHILD LADY WINDERMERE S FAN DE PROFUNDIS A WOMAN OF NO IMPORTANCE POEMS POEMS IN PROSE LORD ARTHUR SAVILE S CRIME THE PORTRAIT OF Mr W H AND OTHER STORIES INTENTIONS ESSAYS AND LECTURES **The Unmasking of Oscar Wilde** Joseph Pearce,2004 Details the life of Oscar Wilde including his work as an author his fascination with Catholicism and his time in prison for a homosexual affair Previews ,1978 Choosing and Using Fiction and Non-Fiction 3-11 Margaret Mallett,2019-10-30 Choosing and Using Fiction and Non Fiction 3 11 is a guide for primary teachers to the many kinds of texts children encounter use and enjoy in their nursery and primary school years providing an invaluable insight into the literature available Addressing important issues and allowing for the voices of teachers reviewers and children to be heard it contains suggestions of best practice which offer a more creative approach to learning Including both fiction and non fiction with genres ranging from picturebooks to biographies this fully updated second edition features New coverage on recent books Discussion of new changes in concepts of literacy particularly focused on technological advances in moving image media and virtual worlds The balance between print and screen based texts on developing children s visual and multimodal literacy Annotated booklists for each genre for different age groups New sections on equality diversity and translation Exploring fiction non fiction and poetry Choosing and Using Fiction and Non Fiction 3 11 is an invaluable resource supporting teachers as they help children on their journey to becoming insightful and critical readers of non fiction and sensitive and reflective readers of fiction Jasper (non ICSE) CB 3 Jyotika Gill, The Jasper series has been especially designed as per the latest guidelines provided in the National Education Policy The books are designed to expose learners to

Ideas of beauty permeate our lives in ways of which we are often unaware yet they are indicators of identity transgression sartorial codes and otherness While contemporary society sees the dominance of Western hegemonic ideals of beauty when comparing these to ideals in different cultures at different historical periods attention is drawn to the instability of beauty The work in this volume considers the ways individuals question respond to articulate reflect challenge modify or accept beauty within their lives to show it can be powerful destructive and transformative They show that beauty is not always what it appears and can challenge common sense preconceptions as to what is beautiful The range of topics provide an important contribution to ongoing discussions and are testament to both the diversity and complexity of debate the concept engenders across different disciplines
