

A misty forest scene with tall, thin trees and a path leading into the distance. The atmosphere is foggy and ethereal, with a soft light source visible through the trees in the background.

**King of Angels** Perry Brass, 2019-08-06 1963 John F Kennedy is president Civil rights is catching fire as another community of bachelor men is emerging as one to be despised or acknowledged Ann twelve year old Benjamin Rotheberg who lives in a marshy suburb of Savannah Georgia with the most ravishing name in the world the Isle of Hope with his mother Caroline a classically beautiful Southern WASP and his magnetic father Robby a smart dark Sephardic Jewish salesman is trying to figure out who he is Benjamin must change identities from being a smart precocious self aware kid to masquerading and passing as a regular guy from growing into a sexually curious and possibly gay young man to experience a fragile adolescent innocence and attraction to a pretty girl *King of Angels* is about many communities coming together in an explosive time Southern Jews African Americans Southern Catholics an emerging gay one and the secret underground world of boys their crushes and conflicts their attachments and hates It is also about the seductive attractions of self knowledge and the men and women who open our hearts to it amidst the struggles of the soul itself to bloom in life and even after death This is Perry Brass's most stirring and emotionally charged novel set in the hunting coastal South Publisher's description

**Carnal Sacraments** Perry Brass, 2006-10 Futurist Faustian pact 2075 Jeffrey Cooper Alabama raised design superstar in Americanized Germany is 78 but looks 40 years younger due to the perks of his stressful job Meeting an impulsive gifted man will destroy the life he has painfully built for himself but allow him to reclaim his own soul *Warlock* Perry Brass, 2001 There are people all over the world Allen who'll sell anything to anyone You must know that We use those people it's as simple as that I can't tell you any more from *Warlock* a new novel by Perry Brass author of *Angel Lust* *The Harvest* and *How to Survive Your Own Gay Life* Submission passion power and the kind of unleashed gay sexuality that I like to write about these were the elements I wanted in my new book *Warlock* A Novel of Possession says gay poet and novelist Perry Brass I also wanted to create characters that leap off the page I think that's one of the problems with so many gay books the characters seem interchangeable They never have to work hard at anything Life for them seems like a big cocktail party with a play room attached I wanted to write about the struggle for survival that so many of us have and that we try to transcend with the special gifts we bring to our own lives I also wanted to tell a hell of a story which *Warlock* does And what is that Two men meet under fairly common circumstances in a popular gay bath house in Manhattan One of them Allen Barrow is sexually inhibited has a small penis that embarrasses him is shy soft spoken polite and has a low paying job in a bank His whole life will change when he meets Destry Powars Powars is indeed destiny's child he is larger than life a true urban cowboy sexually wild smart uncouth vulgar from generations of footloose losers He has reinvented himself over and over again and has become spectacularly rich and successful He has learned the language that moves money the language of power force success at any means But who has taught him this and at what price The price is his own goodness his own real soul and he can find this again only by merging with Allen *Warlock* is a book of hypnotic splendor and power full of gorgeous

eroticism and total suspense If you ever wanted to find your own man of destiny who will pull you away from the problems of your life who will satisfy your every wish Warlock will tell you how to find and recognize him as well as make you see the ancient and hard work of warlocks I think Perry Brass says the message of Warlock is that the business of business is often evil Just how evil it is I write about in Warlock Many of the excesses of the last ten years are coming back to roost I m glad that I have published a very powerful gay book that deals with so much of what we have seen but in a way that is both entertaining and very moving The real message of this book is our own submission to love and sexual fulfillment how much we really want this and how difficult it is to achieve as much as we want it That is a message I have written about many times but I m glad to do it in this really unique way in this book
