Griffin, 2012-10-27 The existence of the Holy Grail has long been debated and many of these debates focus on the intellectualized or psychological aspects of it This work explores the events that gave rise to the legend of the Holy Grail and

pays special attention to the texts that form the body of the legend as well as historical facts about the life of Christ the Crusades and the fall from grace of the Knights Templar The book examines the legitimacy of the claims made by several present day believers and also introduces a new theory of multiple grails and the evidence supporting this theory which the author believes answers many of the otherwise unanswered questions surrounding the Holy Grail

In Search of the Holy Grail and the Precious Blood Deike Begg,Ean Begg,2008-03 THE HOLY GRAIL IS ONE of the most powerful myths in Western Culture At the centre of this myth is the story of the chalice containing the Holy Blood of Christ shed when Longinus pierced his side at the crucifixion The search for the Grail has inspired artists and mystics for hundreds of years Many churches and cathedrals were built on sites that claimed their part in this sacred mystery IMBUED WITH THE SPIRIT OF the ancient quest and aware of its power as an antidote to our modern spiritual malaise Ean and Deike Begg travelled throughout Europe researching sites of the Holy Grail the Precious Blood and their associated myths This book is an illustrated account of their search and a practical informative guidebook for travellers and seekers It is full of fascinating information such as the name of the Spanish cathedral that holds the cup of the Last Supper the story of how a fig tree carried the Precious Blood to France and the secrets of the Grail castles of Germany I believe that Ean and Deike Begg have done something of great importance in exploring the myth of the Holy Grail that played such a vital part in the deeps of Jung s spirit and in re establishing how now it is still one of the most dynamic elements in the search of the lost and bewildered modern soul for wholeness Sir Laurens van der Post Deike and Ean Begg have revitalized the idea of pilgrimage Michael Baigent An exemplary and vividly written guide to the many strange and beautiful sites associated with the Grail quest throughout Europe Count Nikolai Tolstoy

Thomas, 2011-04-04 *The Dan Brown Enigma* is an insightful look into the world of Dan Brown that will not only enthrall and entertain but will unlock the secrets of one of the world's most exciting and enigmatic writers Dan Brown is already one of the bestselling authors that the world has ever seen Due to the success of his gripping novels *Digital Fortress* *Deception* *Point Angels* and *Demons* *The Da Vinci Code* and *The Lost Symbol* he has become a household name But how did he achieve this What's his secret This in depth biography reveals how with a heady mix of science religion fact and fiction he has

captured the public's imagination and secured his place in the history of the popular thriller. Despite his enormous success, Dan Brown is an unassuming man. This book includes a look at his early years long before the fame and fortune that came with the success of *The Da Vinci Code* when he was a musician, teacher, and writer of humour titles. It also examines the crucial role that his wife Blythe Brown plays in his life and work. His skilful storytelling with its intricate twisting plotlines is certainly something that sets him apart from other thriller writers. *The Dan Brown Enigma* also looks at his extraordinary attention to detail and reveals how important research is to each of his books. Through hours and hours of careful study, he brings to light ancient rites and rituals that are buried deep within our collective subconscious. This combination of Brown's imagination with the secret truths, myths, and legends from a variety of ancient institutions, including the Freemasons and the Catholic Church, are perhaps why his novels are so successful and at times controversial.

The Holy Grail Juliette M Wood, 2012-09-15 This book examines the traditions attached to the Holy Grail from its first appearance in medieval romance through its transformation into an object of mystical significance in modern literature and film.

The Women in the Gospel of John: the Divine Feminine, **Adventures in Paranormal Investigation** Joe Nickell, 2013-12-06 Paranormal investigator Joe Nickell is equally at home when recreating the mysterious Nasca lines at a remote site in Kentucky as he is in his research lab at the office of the Committee for Skeptical Inquiry. He has traveled the world seeking to understand its strange mysteries. Nickell does not engage in hype or sensationalism yet he avoids the instinctive dismissiveness of many skeptics. Instead, he scientifically investigates the claims he encounters with the intention of finding the truth. Guided by the notion that the extent of the evidence must be commensurate with the extent of the claim and by the principle of Occam's Razor that the simplest tenable explanation is most likely correct, Nickell has spent his career uncovering the truth behind seemingly inexplicable phenomena. In *Adventures in Paranormal Investigation*, Nickell presents the case files of his examinations of claims ranging from alien abductions to zoological enigmas. He investigates snake charmers, alien autopsies, crystal skulls, a Russian girl with X-ray eyes, Jack the Ripper, and a haunted gas chamber at Dachau among many others. He even reveals how intuition has changed his life, causing him to meet the daughter he never knew he had. Nickell brings his trademark skepticism to each investigation, carefully observing each claim and using scientific methods honed over many years to discover the real stories behind these fascinating tales.
