## **The Godforsaken Daughter:**

**The Godforsaken Daughter** Christina McKenna, 2015 When Ruby Clare's father was alive they toiled together happily on their dairy farm in Northern Ireland. Since his death Ruby, thirty-three, plump but comely, has been forced indoors and made a domestic drudge for Martha, her endlessly critical mother, and her prettier younger sisters May and June. But everything changes when Ruby finds her late grandmother's old case in the attic. Among its strange contents is a curious handmade volume called *The Book of Light*. As Ruby delves into its mysterious pages, she's enticed into a most beguiling world whose allure and magnetic power she finds irresistible. Martha, convinced that her newly empowered daughter is going crazy, enlists the help of the kindly parish priest and then psychiatrist Henry Shevlin. Henry appears imperturbable yet is inwardly reeling from his wife's unexplained disappearance the previous year. As Ruby undergoes therapy, she meets local bachelor farmer Jamie McCloone. Through their shared loneliness and isolation, the two find the courage to connect. But will Ruby's mother allow her daughter the happiness she so richly deserves? *The Godforsaken Daughter* is an unforgettable peek into small town life in Ireland's recent past. It's a glorious successor to McKenna's first two Tailorstown novels *The Misremembered Man* and *The Disenchanted Widow*. *The Sorcerer's Daughter* Larry Kollar, 2013-12-11 As Bailar and his apprentices help the Conclave prepare for conflict with the rogue sorcerers, Sura learns that she is a descendant of a noble House in the Alliance. But when she discovers the price of her history, it may be too late. **The Daughter of an Egyptian King** Georg Ebers, 1880 Wild Life Molly Gloss, 2001 Charlotte Bridger Drummond is a free thinking cigar smoking trouser wearing woman who pens popular women's adventure stories on the Northwest frontier in the early 1900s. When a little girl gets lost in the woods, Charlotte anxiously joins the search where she becomes lost and falls into the company of an elusive band of giants. *Oh Boy, You're Having a Girl* Brian A. Klems, 2013-04-18 Rules for Raising Little Girls As the father of a daughter, I wish I'd read this very funny book sooner, if only to know that it's OK for a grown man to wear a tutu. Dave Barry Required reading for any parent who doesn't know pants from leggings. Dan Zevin author of *Dan Gets a Minivan* Life at the Intersection of Dude and Dad It's easy to imagine how you'd raise a boy: all the golf outings, lawnmower lessons, and Little League championships you'd attend, but playing dad to a little princess may take some education. In *Oh Boy, You're Having a Girl*, Brian, a father of three girls, shares his tactics for surviving this new and glittery world. From baby dolls and bedtime rituals to potty training and dance recitals, he leads you through all the trials and tribulations you'll face as you're raising your daughter. He'll also show you how to navigate your way through tough situations like making sure that she doesn't start dating until she's fifty. Complete with commandments for restroom trips and properly participating in a tea party, *Oh Boy, You're Having a Girl* will brace you for all those hours playing house and psych you up for the awesomeness of raising a daughter who has you lovingly wrapped around her little finger. Somehow Brian Klems has taken one of the most traumatic situations known to a father having a daughter and made it into something so completely hilarious you'll laugh until you've got oxygen.
