

THE GARDEN PIECE & GAME PIECE

plaza overview

The 6504 m² of green spaces planned as welcoming plazas at the entrance points of the treetop walkway are now places that promote belongingness, feelings of security and well-being through an *ecological and pro-social design*. The first stop in the footbridge is the Garden Piece which has a more secluded atmosphere surrounded by many trees and a variety of shrubs followed by the Game Piece - the ideal place for a large group activity.
