Free at Last Tony Evans, 2009-01-01 This reader says it best Tony Evans explores the problem of Christians who continue to sin and who do not fully utilize the freedom they have received in Christ He compares Satan to a plantation owner who knows that legally his slaves have been freed but who tries to convince them that they ll never make it in this world without him He says that sometimes we need to make it to rock bottom before we realize that Christ IS the Rock at the bottom This is a very inspiring and encouraging book both for those who have not confessed Christ and for those who have been Christians for many years The Holy Bible ,1817 The gospel guide; or, The truth as it is in Jesus Thomas Hughes Why Government Can't Save You John MacArthur, 2000-09-18 Though the Lord relentlessly proclaimed Milner, 1853 the law of God He did not come as a political deliverer or social reformer He did not issue a call for changes even by peaceful means Nor did Jesus rally supporters in a grandiose attempt to capture the culture for morality or greater political and religious freedoms Rather His divine calling was to rescue the lost souls of individual men and women from sin and hell A certain amount of healthy and balanced concern about current trends in government and the community is acceptable as long as we realize that such interest is not vital to our spiritual lives our righteous testimony or the advancement of the kingdom of Christ Above all the believer's political involvement should never displace the priority of preaching and teaching the gospel because the morality and righteousness that God seeks is the result of salvation and sanctification John MacArthur In Why Government Can t Save You An Alternative to Political Activism author John MacArthur illustrates through Scripture that regardless of the numerous immoral unjust and ungodly failures of secular government believers are to pray and seek to influence the world for Christ by godly selfless and peaceful living under that authority not by protests against the government or by acts of civil disobedience Dr MacArthur will explore these areas Christians Responsibility to authority How and why to support our leaders How to live righteously in a pagan culture The principle of paying taxes Jesus lessons on tax exemptions The biblical purpose of government The principle and reasons for civil obedience To devote all or even most or our time energy money and strategy to putting a facade of morality on the world or the appearance of rightness over our governmental and political institutions is to badly misunderstand our roles as Christians in a spiritually lost world John MacArthur In this book find out your Christian responsibility to government and political causes The Second Adam Philip Edward Zarling, 2024-11-16 This book tells you how God resolved the problem the first Adam caused in the Garden of Eden The first Adam brought sin and death into the world but Jesus brings hope and the promise of a blessed life This book covers

the story from the creation of man to the end of the world and beyond showing how God plans to bring people back to a perfect relationship with him through Jesus The Works of of the Late Reverend Robert Traill, 1810
