1. What is the American Dream? What does it take to achieve this dream? Who determines your success in this dream — you or others?
2. Write about dreams or wishes that you once had that you now know were unrealistic or foolish. What have you learned since those days?
3. Choose one of your fantasies about what your life will be like in 20 years from now and write about it using specific details. You are around 35 or 37 — tell me all the important facts about your life. How will your world be different?
4. Write a recipe for your American Dream:
Example: 2 cups perseverance
1 1/4 cups of courage
A pinch of luck
Combine ingredients and wait 10 years, stirring occasionally and adding extra ingredients as needed.
5. Write about a dream that you have already accomplished. Describe the challenges you faced in realizing this dream and how you felt when you accomplished it.
6. Write your obituary. What details, accomplishments, family members will be emphasized?
7. The Great Gatsby abounds with icons of the 1920s — Gatsby's car, jazz, and women's dresses. List some objects that typify the current decade, and incorporate as many of them as is reasonably possible into a few paragraphs describing a day in your life.
8. How do you feel about the characters that you have met in The Great Gatsby so far? Do any of the characters remind you of anybody that you know? How have the female characters been portrayed so far?
9. Literature often reflects the time period in which it is created. What have you learnt or did you already know about the period in which The Great Gatsby was written?

Our students learn their literature, history, math, science, or art via a firm foundation of strong reading skills. When we teach students to read with precision, rigor, and insight, we are truly handing over the key to the kingdom. Of all the subjects we teach, reading is first among equals. Grounded in advice from effective classrooms nationwide, enhanced with more than 40 video clips, *Reading Reconsidered* takes you into the trenches with actionable guidance from real-life educators and instructional champions. The authors address the anxiety-inducing world of Common Core State Standards, distilling from those standards four key ideas that help hone teaching practices both generally and in preparation for assessments. This Core of the Core comprises the first half of the book and instructs educators on how to teach students to read harder texts closely, read texts rigorously and intentionally, read nonfiction more effectively, and write more effectively in direct response to texts. The second half of *Reading Reconsidered* reinforces these principles, coupling them with the fundamentals of reading instruction, a host of techniques, and subject-specific tools to reconsider how teachers approach such essential topics as vocabulary, interactive reading, and student autonomy. *Reading Reconsidered* breaks an overly broad issue into clear, easy-to-implement approaches. Filled with practical tools, including 44 video clips of exemplar teachers demonstrating the techniques and principles in their classrooms, note for online access of this content, please visit my.teachlikeachampion.com. Recommended book lists, downloadable tips, and templates on key topics like reading nonfiction, vocabulary instruction, and literary terms and definitions. *Reading Reconsidered* provides the framework necessary for teachers to ensure that students forge futures as lifelong readers.
