The Handbook Of Mergers And Acquisitions:

The Handbook of Mergers and Acquisitions David Faulkner, Satu Teerikangas, Richard J. Joseph, 2012-06-07 With its inception at the end of the nineteenth century as a means of consolidation and reorganization mergers and acquisitions M A have since become quasi institutionalized as one of the primary strategic options for organizations as they seek to secure their position in an ever more competitive and globalizing market place Despite the optimism surrounding M A as strategic moves research on post merger company performance suggests that most firms engaging in M A activity do not achieve the sought after performance targets either immediately or in the years following the deal What is it that drives M A activity when research results do not support the performance expectations of these undertakings Alternatively have M A scholars got it all wrong in the way that M A performance is measured Is the topic too complex enduring and multifaceted to study The Handbook argues that the field of M A is in need of a re rooting past research needs to be critically reviewed and fundamental assumptions revisited A key issue preventing efforts in the practice and study of M A from achieving dynamic syntheses has been the disciplinary gulf separating strategy finance and human relations schools The Handbook aims to bridge the hitherto separate disciplines engaged in the study and practice of M A to provide more meaningful results Toward this end the Handbook brings together a set of prominent and emerging scholars and practitioners engaged in the study of M A to provide thought provoking state of the art overviews of M A through four specific lenses strategic financial socio cultural and sectorial approaches By summarizing key findings in current research and exploring ways in which the differing approaches could and should be synthesized it aims to highlight the key issues facing M A practitioners and academics at the dawn of the third millennium

The Handbook of Mergers and Acquisitions David Faulkner, Satu Teerikangas, Richard J. Joseph, 2012 The handbook bridges hitherto separate disciplines engaged in research in mergers and acquisitions M A to integrate strategic financial socio cultural and sectorial approaches to the field It examines the management processes involved as well as valuations and post acquisition performance and considers international and sectoral dimensions
