The Heart of a Father ,1924 The Father's Heart Bobby Howard,2013-11-20 We Have a Problem Jesus said that where His Spirit is there is liberty yet too many believers today are not free We have embraced Christian belief but our faith is not working right The boldness joy and liberty of Christ do not yet mark us Instead we allow sin and its consequences to define our Christian faith and identity We strive to reach impossible standards of religious and moral performance which lead us through endless cycles of religious success and failure We are another Israel in bondage in need of deliverance We need another exodus In The Father s Heart Another Exodus you will encounter God s perfect love for you as you explore the Father s heart be empowered as you embrace your God breathed identity and purpose in Christ experience freedom from religion and moral performance as you shed shame and condemnation In The Father s Heart Another Exodus revisit the cross and allow its good news message of grace to shine as brightly for you today as it did the day Christ was nailed to it Leave behind the religious baggage you have carried and reclaim the faith that brings life as you embrace the heart of the Father Every generation has taken some issue with its predecessors and rightly so However few critics identify the real fundamental issues and even fewer give substantial solutions Bobby Howard has not only put his finger on the right issues of our religiosity but also gracefully pointed us in the right direction toward our liberty and acceptance in Christ This kid has done us all a big favor by writing this book Read it Alan Platt Founder and Leader of Doxa Deo Ministries

The Heart of a Father Karl Thompson,2019-12-31 A book on the heart of a father can be multidimensional The two areas that I will focus on are faith and finances which are key to becoming productive citizens God placed us on earth to occupy and have dominion over it We were created to be citizens of God s

kingdom Therefore as believers we have dual citizenship status Despite geographic boundaries we have one common homeland called earth and one common fatherland called heaven Citizenship has responsibilities It requires strong faith in God our creator On earth we are required to carry out responsibilities as part of our dominion mandate We are required to meet our financial responsibilities and respect and love each other That means we must be financially educated We must demonstrate prudent use of the gifts that he has given us and attest to his goodness Man has yet to demonstrate true citizenship

Stability of the Soul Within the Heart of the Father Tommy Shaughnessy, 2015-10-08 All too often the trials of life and the winds of adversity take many people by surprise and they are blown to and fro as a result thereof Trying to find stability of the soul within the confines of this life is like trying to harness the wind *Stability of the Soul within the Heart of the Father* presents the idea that the immaterial soul was never meant to find peace or rest within this life but only in the heart of the Father *Stability of the Soul within the Heart of the Father* invites the reader to take a journey through the pages of scripture discovering how the saints of old found contentment and rest in this wearying life Since these trials of life seem nothing short of certain and are all but destined to happen in the lives of Christians the only proper thing to do is for one to acquaint oneself with the knowledge of the Holy One This knowledge is intended to lead to joy inexpressible and peace surpassing all understanding which cannot be found within this world Through proper understanding and foundational practices *Stability of the Soul within the Heart of the Father* presents a way for the soul of a gracious heart to find its proper resting place within the heart of the Father
