The Horny Mermaid Paranormal Shifter Fairy Tale Novella English Edition:

Submissive Fairy Tales Kitty Thomas, 2012-05-26 Dark Fairy Tales by Kitty Thomas This work is meant for a mature adult audience and contains content which may or may not match the personal tastes of every reader Enter a world of mythological places mermaids king s harems dragon like beings and gypsies a world of erotic domination and submission in times and places far different from our own *Submissive Fairy Tales* is a collection of previously published erotic novellas by Kitty Thomas *The Auction Awakening* and *The King s Pleasure* *The Auction* Belle Walker lives in a strict society where women are treated as property sold to the highest bidder soon after their eighteenth birthday The monsters outside the city have promised to leave them in peace but one of them is intent on having Belle as his own *Awakening* Nerina has lived all her life as a mermaid fascinated by humans and land but also repulsed by sex and unable to understand love Her curiosity gets her captured by a human male intent on awakening her lust and turning her human *The King s Pleasure* In the kingdom of Himeros Abigail is despised for her gypsy heritage Pushed to the fringes of society she s forced to break the law in order to help feed her family When a castle guard catches her stealing bread he intends to cut off her hand for the offense but the King has other plans What Readers are Saying About *Submissive Fairy Tales* I m a huge Kitty Thomas fan she is a definite one click author for me since I became acquainted with the novel *Comfort Food* You should know going into this read that it is done on the premise of fantasy therefore in order to enjoy this book you are going to have to be a reader who can allow your imagination to go with the flow of the author s intent The book covers the lifestyle and behaviors of those who practice BDSM It covers things like dominance submission degradation and even the occasional mind % Suzanne Steele I don t know what words to use to express how I feel about this book but I ll try I am a big fan of erotica This book takes erotica to a whole new level This is a very dark read and is not for the faint of heart There is a lot of BDSM and non consensual seduction *Fifty Shades* is tame in comparison This is a book of three short stories Some of the scenarios are mind boggling but that is why we read these fantasies You will have to relax your mind and go with it *Cherryreads* Sexy sinister writing from the darkly talented erotica author Kitty Thomas Dee18 I m a pretty big fan of Kitty Thomas and I love fairy tale retellings so I was really excited when she bundled these little stories into a nice dark package Is it dark Yes Is it erotic Very much so Amanda Booklvr Well written and edited There are a few low reviews here and I don t get it So much of the BDSM available out there is schlocky smut Kitty Thomas s stories aren t schlocky or smutty These are fantasy or fairy tales typical of the best capture slave stories They are exactly what the author discloses when she say don t read if you re offended by No surprises just short well written imaginings A couple reviewers rated this low because they wanted the stories to be longer I think that s also unfair as they are labeled fairy tales therefore clearly will be short That said any one of them could be expanded into a full length highly erotic story on the order of *Comfort Food* As it is I enjoyed the collection and would recommend to anyone who likes Capture Master Slave fiction LA Kristy All three were beautifully written tales the first about a dragon master the

second a mermaid brought to human form by the Lord of the Castle the third the King of a mythical kingdom and his Gypsy slave engaged readers who were willing to suspend logic The BDSM aspects of all the stories were light although the last tale was a bit darker than the others As with most of the BDSM erotica recently written none of this is to be taken too seriously and is meant for entertainment only not guidelines for a D s relationship Teacher Lady Kitty Thomas takes Kinky to a higher level Larissa Kitty s writing is a beautifully obscene comfort Claudia D Christian author of Suicide Doll Thomas writes with a passion and purpose so pure she makes her readers live and breathe every word Emma Petersen author of Reign of Pleasure More dark literary erotica by Kitty Thomas Erotic novels Comfort Food Guilty Pleasures Tender Mercies The Last Girl Big Sky Mafia Captive Blood Mate Note This work is not 50 Shades of Grey however if you enjoy work like 50 Shades of Grey you may also enjoy Kitty Thomas If you like Kitty Thomas consider trying some of these other great authors CJ Roberts Tiffany Reisz Annabel Joseph Pepper Winters Anna Zaires Aleatha Romig Skye Warren Cherise Sinclair **Little Red Riding Wood (Paranormal Shifter Fairytale Erotica)** Margot Devine, Little Red is the guardian of the shifter filled woodland she resides in looking after flora and fauna alike But when a Big Bad wolf comes prowling she soon discovers that being a goody two shoes doesn t always work out Little Red discovers that sometimes you must surrender to evil first in order to conquer it Read as Little Red tackles the brutish shifter sacrificing her body to save the petrified piggies and become a woman in the process A gal can only take so much huffin and puffin before she eventually blows back Keywords fairytale fairy tale fairy tale red riding hood breeding werewolf erotica shifter erotica paranormal erotica shifter sex paranormal sex enemies to lovers rivals to lovers romance short story short **Finding Their Mermaid** Cali Mann, 2022-08-09 Dive into this steamy reverse harem shifter paranormal romance world by USA Today Bestselling Author Cali Mann A humble chef Three crab shifter bikers And a clan that needs saving A seer tells the crab shifters Fisk Caspian and Alon that the only thing that will save their families from generations of barrenness is if they mate a mermaid and they re on the hunt for her Only they find Maddy A human chef who checks all their perfect mate boxes Do they follow their passion and give up on saving their clan Or do they turn down their true mate A sexy RH paranormal romance short story by USA Today bestselling author Cali Mann Expect sunny beaches and dangerous curses unusual crab shifters rejected mates and vacation romance vibes in this college age steamy romance **Kiss & Tell Tail 5** Timea Tokes, 2020-12-11 I thought having no memories was bad Try being bombarded by them all at once Honestly I never knew what real pain felt like and I m not even talking about the physical side of it I forgot these things for a reason and I never wanted them back But when it comes to magic you always pay the price I didn t get to choose which memories to get back and which ones to push away for ever Before I couldn t make up my mind because I didn t know what was real and what wasn t And now Once again I m stuck between two worlds and I m torn more than ever I have another decision to make and I need to convince my guys to be on board with it Even if that means one of them might just hate me for ever Note from the Author This is a slow burn Reverse Harem Why Choose Fairy Tale Romance Retelling of
