Voices from the Margins Jangkhola Haokip,David W. Smith,2022-07-13 The wisdom of tribal peoples has often been overlooked both within the church and outside of it However as the ideologies of consumerism free market individualism and nationalism grow more and more dominant across the globe with devastating implications for our planet s shared future it has become ever more urgent to make space for voices from the margins voices offering alternative frameworks for understanding the nature of existence spirituality and what it means to be human This book draws together contributors from diverse tribal and

denominational backgrounds to reflect on the future of Christianity in Northeast India a region rich in ancient myths oral traditions and a vibrant awareness of both the spiritual realm and the embeddedness of humans within creation Joining a wider conversation regarding the integration of Christianity and primal traditions the authors wrestle with crucial questions surrounding identity and the challenges of contextualizing the gospel in relation to their own languages cultures and traditions Looking both backwards and forwards they provide insight into the history of Christianity in tribal contexts while exploring the vital significance of recovering and transmitting indigenous knowledge and the profound perspective it offers the church into the significance of Christ and his gospel
