Religion Calvin, John, 2017-04-20 Institutes of the Christian Religion is John Calvin s seminal work of Protestant systematic theology Highly influential in the Western world and still widely read by theological students today it was published in Latin in 1536 at the same time as the Henry VIII of England s Dissolution of the Monasteries and in his native French language in 1541 it was a landmark in the elaboration of the French language in the 16th century to become a national language with the definitive editions appearing in 1559 Latin and in 1560 French [The Institutes Of The Christian Religion](#) John Calvin, 2012

This is the extended and annotated edition including an extensive biographical annotation about the author and his life The Institutes of the Christian Religion Institutio Christianae religionis is John Calvin s seminal work on Protestant systematic theology Highly influential in the Western world and still widely read by theological students today it was published in Latin in 1536 at the same time as the English King Henry VIII s Dissolution of the Monasteries and in his native French in 1541 with the definitive editions appearing in 1559 Latin and in 1560 French The book was written as an introductory textbook on the Protestant faith for those with some previous knowledge of theology and covered a broad range of theological topics from

the doctrines of church and sacraments to justification by faith alone and Christian liberty It vigorously attacked the teachings of those Calvin considered unorthodox particularly Roman Catholicism to which Calvin says he had been strongly devoted before his conversion to Protestantism The Institutes is a highly regarded secondary reference for the system of doctrine adopted by the Reformed churches usually called Calvinism from wikipedia com
