The Gift Of Cancer A Miraculous Journey To Healing:

The Gift of Cancer Brenda Michaels, Marsha Mercant, 2014-10-14 For fourteen years Brenda Michaels battled cancer. Then one day she surrendered to the experience and found the gift in her disease. *The Gift of Cancer: A Miraculous Journey to Healing* speaks to anyone on a journey of wellbeing, whether suffering from a life-threatening disease or merely desiring to live a better, more fulfilling life. After Brenda's third cancer diagnosis and being told she had a year to live, she boldly stepped away from the accepted medical model, said no to chemotherapy, and chose alternative treatment. This unorthodox path, the connection of mind, body, and spirit, which many experts now believe is the key to true healing, ultimately saved Brenda's life and put her in control of her own destiny. Her story reveals the immense healing power available within each of us. With each obstacle Brenda encounters, we see the indefatigable courage and fortitude she demonstrates in facing her demons, both inside and out. Michaels' uplifting memoir encourages us to listen to our inner voice, trust our intuition, and look at the true source of healing. When we are willing to look deep within and take responsibility for our choices, we have the power to alter the course of our lives in miraculous and unexpected ways. *Reiki: A Miraculous Journey into Holistic Healing* Eileen Curteis, 2015-12-30 *Reiki: A Miraculous Journey into Holistic Healing* takes the reader into an autobiographical journey of healing, which anyone can embark on and is especially meant for persons who have not been able to find answers for their health issues in traditional western medicine. The book addresses a complementary path of healing with a strong emphasis on Reiki, but is totally inclusive of any other avenue that leads to wholeness and good health. This book addresses taking responsibility for our lives and becoming pioneers of our own healing. It addresses how physical, emotional, psychological, and spiritual healing need to be integrated in order for a person to feel fully alive and whole. The story is told by Sister Eileen Curteis and is about her forty-year journey into healing, the insights and wisdom she has gained as one of life's travellers in search of wholeness. The story is told through Eileen's prose, poetry, and art. *One Rule to Live By: BE GOOD* Orest Stocco, 2019-07-28 *Where Do We Come From? What Are We? Where Are We Going?* This is the title of the celebrated painting by French artist Paul Gauguin, questions that we would all like answered, but one can read all the libraries in the world and have every experience imaginable and still not know the answer to these questions. U of T professor and clinical psychologist Dr. Jordan B. Peterson offers a way to find the answer with his global bestseller *12 Rules for Life: An Antidote to Chaos*, but this will only take one so far on their journey to personal resolution that will answer Gauguin's three questions; the rest of the way has to be negotiated by special effort, which *One Rule to Live By: Be Good* by Georgian Bay author Orest Stocco spells out by opening the door to a new way of perceiving, a new way of thinking and understanding an unbelievable true story that defies comprehension, a story that takes the mystery out of what the great psychologist C. G. Jung called the way of what is to come.

Healing Within Michael W. Kovarik, 2014-06-10 *Healing Within* came to be from my journey with breast cancer. This healing passage evolved over a few years. It did not present itself right away but transpired when I was ready for it to begin.
