folklore **Master of the Two Left Feet** Richard Meyer,2022-09-13 An account of the life and work of a once famous self taught American artist of the 1940s and a study of how artists go missing from public memory The exhibition Morris Hirshfield Rediscovered at the American Folk Art Museum in New York City curated by the author and developed as an extension of the book is on view from September 22 2022 to January 27 2023 A garment worker and slipper manufacturer with no training in art Morris Hirshfield was never expected to make history Against all odds his wildly stylized paintings of female figures often nude animals and landscapes became internationally known in the 1940s Admired by Pablo Picasso Piet Mondrian and the French surrealists his peak moment of visibility occurred in 1943 when the Museum of Modern Art mounted a one man show of his work The exhibition was widely reviewed though mostly reviled by the press who jeeringly crowned Hirshfield Master of the Two Left Feet for his tendency to display the female body in that unorthodox fashion After the artist s death in 1946 his work was largely forgotten but in Master of the Two Left Feet art historian Richard Meyer rediscovers Hirshfield for twenty first century audiences offering full color reproductions that capture the vibrant imagination and sheer visual pleasure of Hirshfield s paintings The book also features a catalog of works compiled by curator Susan Davidson which provides the most comprehensive documentation of the artist s work ever assembled Ten years in the making Master of the Two Left Feet presents Hirshfield s unlikely career as a painter not only as a missing episode in the history of twentieth century art but as a case study of the ways in which artists go missing from historical knowledge and public memory By looking closely at Hirshfield and his milieu in 1940s Brooklyn Meyer demonstrates how much we have yet to learn and to see of the visual past *Uninvited* Justine Musk,2007-09-11 Kelly Ruland s world fell apart when her brother Jasper walked away the sole survivor of a car accident and kept walking right out of town She doesn t want to believe that Jasper was at fault but then why did he run away How could he abandon Kelly and her parents Now former star student and athlete Kelly struggles to care about anything anymore sleepwalking through school and experimenting with dangerous behavior as she tries to fill the void inside her Then one night Jaspers returns but he s not alone Someone has followed him home Someone who hides in the space behind the truth who hovers in the shadows between the known and the unknown His name is Archie and he is the stranger they never asked to know the guest they never invited And he s about to challenge Kelly and Jasper to a game that demands a price they may not be willing to pay **Girl in the Song** Chrissy Cymbala Toledo,2015-08-04 A fascinating true story Chrissy grew up surrounded by the beauty of love and the ugliness of pain The daughter of a pastor whose church was located in a rough and tumble area of Brooklyn she witnessed the ravaging effects of the streets on the lives of the most desperate drug addicts derelicts and other destitute people Yet her own home was a haven of warmth filled with affection and love Then something happened that tore her away from it With the flip of a switch Chrissy fell deeper and deeper into deception where haunting images and songs pointed to one thing perfection Longing to be the girl in the song she became entangled in an obsessive relationship Before long secret after secret led her down the

path to becoming someone she didn't even recognize Locked in to an impossible life Chrissy found release from a surprising direction Girl in the Song tells the gripping true story of a young woman whose choices led her to despair and incredible triumph More than the story of one lost girl Chrissy's experience points to the power of hope to lead us away from destructive relationships and into a life that just might end happily ever after
