Hermeneutical Community C. S. Barefoot, 2024-12-23 Many Western initiatives exist for theological development in the majority world but how often do practitioners from the West pause to examine the role they should play in that endeavor Missions history and church history have revealed inadequacies of imposing foreign theology on local churches yet the alternative of withdrawing from local theological development appears equally problematic If therefore the outsider's role is neither to impose theology nor withdraw from the task then what is his or her role Hermeneutical Community addresses this fundamental question and seeks to lay a sound missiological foundation for local theological development

spiritual journey that offers lessons inspiration and encouragement for today's believers Whether you are a mission leader a student of missiology or someone seeking to understand God's movement in the world this book will deepen your insight into the strategies goals and personal stories that have shaped modern missions Ethnic Diversity and Reconciliation Arend van Dorp, 2022-10-31 Forces of division conflict and fear threaten to separate us from the neighbor who does not look act or pray like us However followers of Christ are charged with embodying a unity that celebrates difference rather than fleeing from it Ethnic Diversity and Reconciliation explores the implications of the church's radical call to inclusive community in the context of Myanmar's long history of ethnic conflict Dr Arend van Dorp outlines the theological foundations for understanding the church's mandate as a diverse and unified missional body while also engaging the very real challenges posed to this mandate by the cultural religious and historical realities faced by Christians in Myanmar He demonstrates that while the challenges are vast so is the potential for transformation and reconciliation when the church takes up its mantle and bears faithful witness to God's love in a fractured world *The Burden of Baggage* Roy Oksnevad, 2019-03-15 Overcoming Cultural Baggage One Generation at a Time This uncommon resource targets a little discussed but highly prevalent challenge that first generation churches face Specifically The Burden of Baggage explores how cultural upbringing can be both a strength and a weakness as it impacts expressions of church life as seen in the personal interpersonal family leadership styles and spiritual walk Every person coming to Christ has baggage but a first generation believer especially one coming from a background with little or no connection to Christianity has an uncommon amount of cultural baggage that they bring with them This book tackles common issues and sees specific examples played out in the Iranian church as a prime example of these challenges While the book focuses on Muslim background believers from Iran it has transferable insight for Other background believers from any oppressive regime and therefore is highly encouraging in the universality of the struggle that new believers face as they draw near to Christ Readers will walk away knowing they are not alone in their struggles as they deal with gut wrenching issues that often aren't able to be solved in one generation and yet gain hope from the redemptive stories within **From Jerusalem to Timbuktu** Brian C. Stiller, 2018-03-20 What has led to the church's vibrant growth throughout the Global South Brian Stiller identifies five key factors that have shaped the church from a renewed openness to the move of the Holy Spirit to the empowerment of indigenous leadership Discover the surprising story of the global advance of the gospel And be encouraged that Jesus' witness continues to the ends of the earth **The Gospel in the Western Context** Gert-Jan Roest, 2018-10-02 In The Gospel in the Western Context Gert-Jan Roest focuses on discerning a Western contextual gospel an endeavour that is very relevant to the current state of Christianity in the postmodern and post Christendom West After giving an in depth analysis and synthesis of how Hendrikus Berkhof and Colin Gunton read the Western context and contextualize their Christology he develops a gospel centred model for reading the context Meanwhile he makes a creative and much needed attempt to connect the two disciplines of systematic theology and

missiology and convincingly shows that both disciplines cannot only enrich one another but also can give church practitioners insight and wisdom for their tasks **Devoted to Christ** Christopher L.
