

## Overview

*The Glory Field*, published in 1994, is the story of an African-American family's journey from slavery towards equality. It follows six young members of that family at different times in American history. The individual lives of these characters appear as six separate but interconnected stories within the novel, spanning the years from 1753 to 1994, and from Sierra Leone to Harlem.

The first story starts in 1753, when eleven-year-old Muhammad Bilal, the family's documented member, is kidnapped by slave traders who attack his village in Sierra Leone. Muhammad is shocked and forced onto a slave ship. He manages to survive the horrific journey to America, and many of his countrymen and fellow villagers die. The ship finally docks at Curry Island, off the South Carolina Coast, and Muhammad is taken to a plantation there. As an enslaved worker, Muhammad labors for the land that will eventually become the Glory Field.

The second story takes place on the Little Cuckoo plantation, Curry Island, South Carolina, in 1864. Lorry Lewis, thirteen-year-old, has been born and raised on the plantation. Muhammad Bilal's descendants have all been given the surname of the plantation master, Lewis. Two of the slaves, Joshua and Lem, run away from the plantation, but Lem, however, gets caught and is dragged back and tied to a tree. Joshua returns to save Lem, and Lorry is caught by the overseer, Mister Joe Haynes, giving Lem water. Joshua attacks Haynes and ties him to the tree while freeing Lem. Lorry is forced to leave the plantation at night, after telling her family what happened. She, Joshua and Lem join the Union Army to fight in the Civil War.

Following the end of the Civil War, the Lewis family has been given eight acres of land next to the Little Cuckoo plantation. They have named the land the Glory Field. It is now April 1990. Lorry has married Lem's brother, Richard, and they have a son named Elijah who works the land. When Elijah's grandparents, Sarah and Moses, seek out a loan to pay their taxes, they are denied by the bank. Elijah is determined to get the money to help his grandparents. When he helps rescue a young white boy, the son of a prominent official, he gets no credit in the newspaper and is cheated of his award money. When he speaks up against the injustice, the Ku Klux Klan threatens his life and runs him out of town.

In 1930s Chicago, the height of the Great Migration, Elijah's sixteen-year-old daughter Laverne
