The Gospel In Eight Parables Exposition Of Matthew Thirteen:

The Gospel in Eight Parables Ron Knapp, 2014-11-01 This book is an exposition of Matthew chapter thirteen which contains eight parables delivered and explained by our LORD. In each of the parables the LORD places an emphasis on the effects of the message of the Gospel. The book is formatted in such a way that it can be used to preach, to teach, or even as a personal devotional book, making it a versatile study tool. It is a compilation of sermons prepared and preached by Ron Knapp Jr. Serving as a bi-vocational small church pastor, Ron understands the struggles of balancing a full-time job with the need of having sermon resources readily available. The book looks at the parables of the soil, tares, mustard seed, leaven, hidden treasure, pearl of great price, net, and the householder. For each parable, the reader will find sermon outlines, the text of the sermons, sermon illustrations with references, and a bibliography. This study concludes with a challenge for all modern-day followers of Christ to go out and proclaim the Gospel to every living creature. **The Parables** Dr. Paul Simpson

Duke, 2010-09-01 Many resources have been written to offer assistance in exploring and understanding the lectionary texts for the purpose of preaching. However, few have sought to provide this kind of preaching commentary on texts that do not follow the lectionary's grouping. For those whose preaching does not customarily follow the lectionary and for those who depart from the lectionary text during certain periods of the year, little guidance has been offered for how to select and preach on important biblical texts. *The Parables: A Preaching Commentary*, the third book in *The Great Texts* series, gives guidance to preachers on preaching about this central part of faith. The principles by which volumes in *The Great Texts* series have been chosen are primarily two-fold. Thematic Texts on certain overarching themes or ideas of the Christian faith are brought together. Biblical traditional Texts have long been recognized as belonging together and as being particularly beneficial to the work of preaching. *Matthew 13 and the Prophetic Parables About the Present Age* Todd

Baker, 2011-12-01 Matthew chapter 13 is key to correctly understanding the specific time frame for the Second Coming and establishment of Messiah's Kingdom on earth and how the course of the present age will unfold and progress from the first coming of Christ until His return. Failure to properly understand these parables of Matthew 13 results in a failure to understand all the rest of the parables Jesus spoke after them as He so indicated in Luke 4:13. Therefore, it behooves every Bible-believing Christian to take serious study of the unfolding prophetic events of the present age as symbolized in the eight parables of Matthew 13. This simple exposition is a humble effort to help the Bible student and reader gain a better appreciation and understanding of this chapter as it pertains to those living in the present age as these prophetic parables are unfolding and being fulfilled right before our very eyes. **Commentary on the New Testament** Robert H.

Gundry, 2010-07-01 Verse by verse explanations with a literal translation. Shouldn't a Bible commentary clarify what God's Word actually says? Going beyond questions of authorship, date, sources, and historicity, respected linguist and teacher Gundry offers a one-volume exposition of the New Testament that focuses on what is most useful for preaching, teaching, and

individual study what the biblical text really means Providing interpretive observations in a breezy style that's easy to read and adaptable for oral use in pulpit or classroom presentations Gundry directs his book to an evangelical audience His crisp translation of the New Testament inserts various phrasings of passages in brackets allowing for smooth transition from original text to alternative and contemporary readings

SAMPLE TEXT OF TRANSLATION JOHN S PREDICTING A MORE POWERFUL BAPTIZER THAN HE Mark 1 1 8 1 1 3 The beginning of the gospel of Jesus Christ God's Son according as it's written in Isaiah the prophet Behold I'm sending my messenger before your face ahead of you who'll pave your way the road you'll travel the messenger who is the voice of one crying out in the wilderness Prepare the way of the Lord Make his paths straight Pastors Sunday school teachers small group leaders and laypeople will welcome Gundry's non technical explanations and clarifications And Bible students at all levels will appreciate his sparkling interpretations of the NT Scriptures A trustworthy guide for anybody wanting to delve deeper into God's Word

SAMPLE TEXT OF COMMENTS Gospel means good news Jews would associate this good news with Isaiah 52 7 Non Jews would think of the good news of an emperor's accession to power birthday visit to a city military victory or bringing of prosperity to the empire But Mark's good news has to do with the salvation and victory brought by Jesus over evil in all its demonic and physical forms The gospel of Jesus Christ therefore means the gospel about Jesus Christ and refers to a proclaimed message the voice of one crying out not a book though because books like Mark's contain that proclaimed message the term came to refer to those books in the capitalized form of Gospels to distinguish them from the message kept uncapitalized as gospel
