Jesus Calls the First Disciples

16 Passing alongside the Sea of Galilee, he
saw Simon and Andrew the brother of Simon,
casting a net into the sea, for they were fishers.
17 And Jesus said to them, "Follow me,
and I will make you become fishers of men."
18 And immediately they left their nets and
followed him. 19 And going on a little farther,
he saw James the son of Zebedee and John
the brother of James, who were in their boat mending
nets. 20 And immediately he called them,
and left their father Zebedee in the boat
with the hired servants and followed him.

The Gospel Of Mark:

The Gospel of Mark William L. Lane, 1974-04-14 Lane's work on the Gospel of Mark is a contribution to The New International Commentary on the New Testament Prepared by some of the world's leading scholars the series provides an exposition of the New Testament books that is thorough and fully abreast of modern scholarship yet faithful to the Scriptures as the infallible Word of God

The Gospel of Mark Francis J. SDB Moloney, 2012-05-01 The Gospel of Mark addressed to an early Christian community perplexed by failure and suffering presents Jesus as suffering Messiah and Son of God Recognizing that failure and suffering continue to perplex Christians today world renowned New Testament scholar and theologian Francis Moloney marries the rich contributions of traditional historical scholarship with the contemporary approach to the Gospels as narrative Now in paperback this commentary combines the highest level scholarship with pastoral sensitivity It offers an accessible and thoughtful reading of Mark's narrative to bring the Gospel's story to life for contemporary readers

The Gospel of Mark John R. Donahue, Daniel J. Harrington, 2005 In The Gospel of Mark Fathers Donahue and Harrington use an approach that can be expressed by two terms currently used in literary criticism intratextuality and intertextuality This intratextual and intertextual reading of Mark's Gospel helps us to appreciate the literary character its setting in life and its distinctive approaches to the Old Testament Jesus and early Christian theology Intratextuality means we read Mark as Mark and by Mark Such a reading expresses interest in the final form of the Gospel not its source or literary history and in its words and images literary devices literary forms structures characterization and plot Reading Mark by Mark gives particular attention to the distinctive vocabulary and themes that run throughout the Gospel and serve to hold it together as a unified literary production Intertextuality comprises the relation between texts and a textual tradition and also referring to contextual materials not usually classified as texts e.g. archaeological data Intertextuality is used to note the links of the text of Mark's Gospel to other texts especially the Old Testament and to the life of the Markan community and of the Christian community today

Exploring the Gospel of Mark John Phillips, 2003-12-18 John Phillips writes with enthusiasm and clarity cutting through the confusion and heretical dangers associated with Bible interpretation Moody Magazine

The Gospel of Mark Ben Witherington, 2001-01-08 This book offers the first sustained attempt to read the Gospel of Mark both as an ancient biography and as a form of ancient rhetoric Ben Witherington applies to Mark the socio rhetorical approach for which he is well known opening a fresh new perspective on the earliest Gospel Written when the fledgling Christian faith was experiencing a major crisis during the Jewish war Mark provides us with the first window on how the life and teachings of Jesus were presented to a largely non Jewish audience According to Witherington the structure of Mark demonstrates that this Gospel is biographically focused on the identity of Jesus and the importance of knowing who he is the Christ the Son of God This finding reveals that Christology stood at the heart of the earliest Christians faith It also shows how important it was to these earliest Christians to persuade others about the nature of

Jesus both as a historical figure and as the Savior of the world The Gospel of Mark William Barclay,2017-10-13 NOW IN AN ENLARGED PRINT EDITION In his introduction to this volume Dr Barclay explains why the first three Gospels are called synoptic how they came to be written and why many scholars believe that Mark was the first Barclay s interpretation of the Gospel is full of wisdom and it offers clear and captivating insight from beginning to end Having picked up one section to study the reader will find it difficult to stop reading until the whole volume is completed For almost fifty years and for millions of readers the Daily Study Bible commentaries have been the ideal help for both devotional and serious Bible study Now with the release of the New Daily Study Bible a new generation will appreciate the wisdom of William Barclay With clarification of less familiar illustrations and inclusion of more contemporary language the New Daily Study Bible will continue to help individuals and groups discover what the message of the New Testament really means for their lives

Mark: The Gospel of Passion Michael Card,2012-02-24 In this second volume of the Biblical Imagination series Michael Card leads us on an imaginative journey through the Gospel of Mark Card teaches us to enter each scene with the eyes of faith knowing that Mark intended us to be filled with passion at the sight of Jesus **The Gospel According to Mark** George Martin,2005 At the heart of this book is a verse by verse exposition of the New American Bible text of Mark s Gospel Interspersed throughout the text are dozens of short essays giving the social political economic and religious background and questions for reflection **The Gospel According to Mark** R. Alan Cole,1989 Cole s study on the Gospel of Mark is part of the Tyndale New Testament Commentaries a popular series designed to help the general Bible reader understand clearly what the text actually says and what it means without undue dependence on scholarly technicalities *Mark* Ernest Best,1983 *The Gospel According to Mark* JAMES R EDWARDS,2020-05-21 Like any other commentary series The Pillar New Testament Commentary has specific aims Designed both for serious students and for general readers of the Bible the PNTC volumes seek above all to make clear the meaning of the text of Scripture as we have it The scholars writing these volumes interact with the most important informed contemporary debate yet avoid undue technical detail Their ideal is a blend of rigorous exegesis and exposition scholarship and pastoral sensitivity with an eye alert both to biblical theology and to the contemporary relevance of the Bible Underlying the approach of this series is the fact that God stands over against us rather than we in judgment of him When God speaks to us in his Word those who profess to know him must respond with reverence a certain fear a holy joy and a questing obedience These attitudes are reflected in the profoundly Christian stance of the PNTC authors toward the text With these values in place the Pillar commentaries will continue to be warmly welcomed by pastors teachers and students everywhere Gospel of Mark, The Timothy R. Carmody,2009-11 A user friendly study guide for reading and understanding the Gospel of Mark **The Gospel of Mark** Donald H. Juel,2011-09-01 This volume is written for anyone who for whatever reason is drawn to the New Testament It is also for those who are not so drawn for it is written out of the conviction that good readers need to be formed Anyone can read the Bible no particular level of education

is required but readers need to learn what to look for in stories that may seem distant and strange The long tradition of reading the Scriptures in the church is not the enemy in such an enterprise but audiences change and the Bible must be heard and wrestled with in each new situation This volume focuses on the Gospel according to Mark probably the first of the four Gospels to be written It has received the least attention of the four in the history of the church The explosion of Markan scholarship in the last decades tells a fascinating story that is not the focus of this study but informs it The result of intense engagement with Mark within and outside the academic community has not achieved a meeting of the minds Mark's Gospel does not easily yield its secrets It is the case however that conversing about Mark has been enormously interesting and productive for the church as well as the academy This volume is written to open readers to its remarkable story Where engagement will finally lead remains as unpredictable and as promising as the Gospel itself *Mark as Story* David M. Rhoads, Joanna Dewey, Donald Michie, 2012-04 For thirty years *Mark as Story* has introduced readers to the rhetorical and narrative skill that makes Mark so arresting and compelling a story Rhoads Dewey and Michie have helped to pioneer our appreciation of the Gospels and Mark in particular as narratives originally created in an oral culture for oral performance New in this edition are a revised introduction and an afterword describing the significant role *Mark as Story* has played in the development of narrative criticism *Preaching the Gospel of Mark* Dawn Ottoni-Wilhelm, 2008-08-19 In this engaging treatment of the Gospel of Mark Dawn Ottoni Wilhelm combines biblical scholarship with a close reading of the Gospel text to meet the needs of preachers today Swift and purposeful the Gospel of Mark proclaims God's reign and urges the participation of all God's people in the witness of the good news that God has transformed human reality through Jesus Christ This insightful commentary helps that message come alive while providing pertinent suggestions about how preachers can proclaim this message to today's churchgoers **Studies in the Gospel of Mark** Martin Hengel, 2003-03-14 Here Professor Hengel argues with a wealth of documentation that the traditional views of the origin and tradition of the Gospel of Mark have far more to be said for them than has been usually allowed by modern New Testament scholars He argues that the tradition contained in the Gospel is that handed down by Peter through Mark and that the Gospel was written in Rome in AD 69 The famous note by Papias quoted in Eusebius Church History is not to be dismissed but has every appearance of being reliable Further evidence in support of this view can be found in a detailed consideration of the titles of the Gospels which must have been attached to the Gospels at a very early stage if only to identify them An appendix by the distinguished classical philologist Wolfgang Schadewaldt on The Reliability of the Synoptic Tradition is used to add further weight to the case With his customary learning Professor Hengel has produced a powerful argument which those who have held more radical views than his own will have to consider very carefully indeed if they are to continue to carry conviction *The Gospel of Mark* Mary Healy, Peter S. Williamson, 2008-11 There is an increasing hunger among Catholics to study the Bible in depth and in a way that integrates Scripture with Catholic doctrine worship and daily life In October 2008 a meeting of the

world Synod of Bishops scheduled by Pope Benedict XVI will focus on The Word of God in the Life and Mission of the Church Coinciding with that meeting is the launch of the Catholic Commentary on Sacred Scripture CCSS a series that responds to the desire of Catholics to access the living Word of God The Gospel of Mark is the first of seventeen volumes which will cover the entire New Testament Written by trusted Catholic biblical scholars these commentaries interpret Scripture in the light of Catholic tradition Accessibly written yet substantive the CCSS fills a gap in the available literature by offering commentaries that cover more than brief study guides but are less daunting than scholarly commentaries *Loosing the Lion: Proclaiming the Gospel of Mark* Leroy A. Huizenga, 2017 Drama Irony Betrayal Miracles A holy war with the whole world at stake And it s all packed into the shortest of the four Gospels Written in an engaging lively oral style Loosing the Lion tells us how despite being misunderstood and neglected throughout most of history the Gospel of Mark has recently been experiencing a scholarly revival Theologians are beginning to see how it is actually an intense wild impossible story told at a breakneck pace with twists and turns that shock and surprise those with eyes to see and ears to hear Readers will be captivated by the Gospel s literary brilliance which brings us to the threshold of an encounter with the living Jesus who reveals his mysteries and ultimately himself to those who approach him and dwell in his presence And when we do encounter him The proper response is repentance joining God s army to be liberated and once liberated advancing the liberation of the whole cosmos which ultimately is the content of the Gospel Jesus calls us to believe in Liberation is coming Join the resistance Breaking Open the Gospel of Mark Gerard P. Weber, Robert L. Miller, Robert Miller, PH. D., 1994 Mark wrote his Good News for people who needed encouragement because they were suffering persecution from the Roman authorities and even from their friends and relatives He gave them the good news that failure fear rejection suffering even death are no longer insurmountable Jesus has overcome them This book combines contemporary scholarship with a readable pastoral style Numerous reflection questions make this book ideal for group as well as individual study **Character Studies and the Gospel of Mark** Matthew Ryan Hauge, Christopher W. Skinner, 2015-02-26 Characters in the Second Gospel are analysed and an in depth look at different approaches currently employed by scholars working with literary and reader oriented methods of analysis is provided The first section consists of essays on method theory and the second consists of seven exegetical character studies using a literary or reader oriented method All contributors work from a literary narrative critical reader oriented or related methodology The book summarizes the state of the discussion and examines obstacles to arriving at a comprehensive theory of character in the Second Gospel Specific contributions include analyses of the representation of women God Jesus Satan Gentiles and the Roman authorities of Mark s Gospel This work is both an exploration of theories of character and a study in the application of those theories
