**A General Collection of the Best and Most Interesting Voyages and Travels in All Parts of the World** John Pinkerton,1812 **Crazy Loco Love** Victor Villasenor,2010-11-09 Growing up on his parents ranch in North San Diego

County Victor Villaseor's teenage years were marked by a painful quest to find a place for himself in a world he did not fit into. Discriminated due to his Mexican heritage, Victor questions the tenets of his faith and the restrictions it places on his own spirituality and sexuality. Ultimately, his search for identity takes him to Mexico to learn of his family's roots, where he soon discovers that his heritage doesn't determine his intelligence or success. Through this often humorous and poignant tale, Victor deftly undermines the macho stereotype so often associated with Latinos while exposing the tender vulnerability and naivete of a young man grappling with the roles foisted on him by the church and society. Victor's youthful misadventures elicit sympathy, laughter, and tears as he attempts to divine the mysteries of the opposite sex in this powerful revealing memoir. The clarity that comes from Villaseor's personal and cultural experience is not matched in any of Steinbeck's major works.
