The Gun Seller:

The Gun Seller Hugh Laurie, 2011-02-08 When Thomas Lang a hired gunman with a soft heart is contracted to assassinate an American industrialist he opts instead to warn the intended victim a good deed that doesn't go unpunished Within hours Lang is butting heads with a Buddha statue matching wits with evil billionaires and putting his life among other things in the hands of a bevy of femmes fatales whilst trying to save a beautiful lady and prevent an international bloodbath to boot A wonderfully funny novel from one of Britain's most famous comedians and star of award winning US TV medical drama series *House*

Merchants of the Right Jennifer Carlson, 2025-02-25 An eye opening portrait of the gun sellers who navigated the social turmoil leading up to the January 6 Capitol attack Gun sellers sell more than just guns They also sell politics *Merchants of the Right* sheds light on the unparalleled surge in gun purchasing during one of the most dire moments in American history revealing how conservative political culture was galvanized amid a once in a century pandemic racial unrest and a U S presidential election that rocked the foundations of American democracy Drawing on a wealth of in depth interviews with gun sellers across the United States Jennifer Carlson takes readers to the front lines of the culture war over gun rights Even though the majority of gun owners are conservative new gun buyers are more likely to be liberal than existing gun owners This posed a dilemma to gun sellers in the run up to the 2020 presidential election embrace these liberal customers as part of a new perhaps post partisan chapter in the American gun saga or double down on gun politics as conservative terrain Carlson describes how gun sellers mobilized mainstays of modern conservative culture armed individualism conspiracism and partisanship as they navigated the uncertainty and chaos unfolding around them asserting gun politics as conservative politics and reworking and even rejecting liberal democracy in the process *Merchants of the Right* offers crucial lessons about the dilemmas confronting us today arguing that we must reckon with the everyday politics that divide us if we ever hope to restore American democracy to health
