

The background of the entire page is a soft-focus, artistic photograph of a person's face, likely a woman, with her eyes closed and mouth slightly open in a prayerful or joyful expression. The lighting is warm and golden, creating a serene and spiritual atmosphere. The colors transition from a deep blue at the top to a bright yellow and orange at the bottom, where the face is most prominent.

The Happy Intercessor Beni Johnson, 2009-02-28 As we dive into the Father's heart we are overwhelmed by His presence the fullness of joy From this place we begin to see from His perspective As we see and understand His world we are compelled to intercede We are now praying and speaking with fresh insight We see that we no longer have to pray from a place of defense Instead we pray offensive prayers from His presence When we speak our petitions and most important our declarations into the atmosphere authority and breakthrough come From the intimate place with our Father everything is birthed

Summary of Beni Johnson's The Happy Intercessor Everest Media, 2022-08-22T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 I grew up in a church where the intercessors were always sad looking people and I did not see them as happy I did not know that it was possible for intercessors to be happy 2 I spent so much time carrying so many feelings inside of me and internalizing them as if they were my own that I became depressed I took those words as truth and became a quiet one who was afraid of people 3 I had a difficult time dealing with my emotions as I grew up I would pray about them but I did not understand my gifting and how to pray I was not releasing to God all of the things that I was feeling and picking up around me 4 I did not have a deep relationship with the Holy Spirit until I was confronted with a crisis in my life Looking back I can see that there was a pull to go deeper with God but I did not know how to get there
