The Healing Codes Manual Dr Alexander Loyd:

The Healing Code Alex Loyd, Ben Johnson, 2011-03-17 The Healing Code is your healing kit for life to heal the issues you know about and the ones you don't. In 2001 while trying to cure his wife of her long term depression Dr Alex Loyd discovered how to activate a physical function built into the body that consistently and predictably removes the source of 95% of all illness and disease so that the neuro immune system takes over its job of healing whatever is wrong with the body. He also discovered that there is a Universal Healing Code that will heal most issues for most people physical emotional and relational as well as enabling breakthroughs in success and well being. The Healing Code has been subjected to numerous tests which have validated its success as do the testimonies of the thousands of people for whom it has worked. In this book you will discover for yourself The Healing Code process. It's easy to learn, can be used just about anywhere and takes only six minutes to complete. This life changing book also includes the Seven Secrets of life health and prosperity, the 10 second Instant Impact technique for defusing everyday stress and the Heart Issues Finder, a simple test that identifies quickly your own personal source issues and imbalances. In just six minutes lower stress, turn the immune and healing systems back on and discover the life changing effects of The Healing Code.
