The Hogben Chronicles:

The Hogben Chronicles Henry Kuttner, Francis Paul Wilson, Neil Gaiman, 2013 **Rx Murder** Nina Abbott, F. Paul Wilson, 2021-10-26 Help I can't breathe He's trying to kill me Please Oh God He's killing me Margery Harris's last words gasped in a hoarse rasping voice on the county's 911 line For Marge's doctor they weren't merely the last words of a patient they were a desperate cry for help from an old friend But they're puzzling because Marge died from a fatal allergic reaction to peanuts Was it possible murder by peanut Her doctor Noreen Marconi MD a 30 something family practitioner in a suburban town outside Baltimore feels she owes it to Marge to get to the truth A dozen years ago Norrie left town as a size twenty After college medical school and residency she's back as a size ten and she wants some answers She enlists the help of Sheriff's Deputy Travis Lawton her big crush as a teen and their investigation leads them along a twisty turny path to a totally unexpected conclusion Also unexpected are the feelings that begin to spark between them as they work together In the middle of all this her apartment floods and she has to move back into the old family home with her mother a house that's now haunted by the ghost of her father Rx Murder is the first of a series blending romance murder mystery and the paranormal Wardenclyffe F. Paul Wilson, 2018-12-14 Excerpt from the editorial in The Journal of New Historical Perspectives Vol 34 2011 On the night of July 15 1903 Nikola Tesla powered up his 190 foot tower in Wardenclyffe on Long Island's north shore The bolts of energy radiating from the apical dome were visible as far away as New Haven Connecticut This was the first and last time anyone would witness such a display Three years later broke and unable to secure further funding Tesla abandoned the Wardenclyffe tower and his dream of worldwide wireless power He returned to Manhattan where he promptly suffered a nervous breakdown So say the history books But new evidence has surfaced that a shadowy fraternal order stepped in and provided generous funding after J P Morgan reneged Witnesses state that testing of the tower continued but only on foggy days when the discharges would not be noticed The final test took place on April 18 1906 Around dawn in heavy fog the tower was charged to maximum capacity across the Atlantic in Abereiddy Wales two copper prongs attached to a 50 watt lightbulb were thrust into the ground The bulb lit Tesla had proved that worldwide wireless power was possible Why then at the moment of his greatest vindication did Nikola Tesla abandon his project What could possibly have transpired at Wardenclyffe that day to so rattle him that he would deny the world his transformative technology We may never know *The Last Christmas* F. Paul Wilson, 2019-12-19 Jack is back Wilson never said he was through with Repairman Jack He said he was through turning in a new novel every year He also said when a story came along that was right for Jack he'd write it The Last Christmas is that story It's late December between Ground Zero and Fatal Error a winter of discontent for Jack who's perhaps spending too much time hanging at Julio's An old contact Edward Burkes convinces him to take on a missing person fix As usual nothing is as it seems and the missing person isn't exactly a person In fact it's like nothing anyone has ever seen And in the middle of all this the mysterious Madame de Medici hires him to safeguard a valuable object

Simple right Not even close Yep Jack is back and as usual weird trouble is on his heels **The Upwelling** F. Paul Wilson,2024-07-09 Oh Mrs Sirman there s a problem with your husband s cremation What sort of problem It s his body What about it It won t burn And so it begins for Pam Sirman the first step toward learning that everything she thought she knew about her husband is wrong perhaps even his humanity But if he s not human what is he Pam is one of three lives that will be drawn together by the apocalypse of the Upwelling The other two are Chan and Danni but their worlds are already in chaos A few weeks ago a fierce storm accompanied by an upwelling from the Atlantic abyssal plain tore into Atlantic City When it receded the city and its 25 000 inhabitants were gone without a trace Chan and Danni remember being in the city that day but the ten hours during which the Upwelling occurred have been wiped from their memories They want those memories back Or do they Did they witness something so unspeakably ghastly that their minds can t face it Or worse Was that ghastly thing something they did And worst yet Were they responsible for the Upwelling Rx Mayhem Nina Abbott,F. Paul

Wilson,2022-03-01 Rx Mayhem picks up only hours after the finish of Rx Murder Dr Norrie Marconi is in a good place She s solved an old friend s murder and her love life is blooming She still has issues to deal with such as her father s ghost and that malpractice suit but she feels like things are settling down and she s getting her life in order Wrong The senior doctor in her medical group drops a bombshell that threatens to disrupt her life some of the patients start acting strange and one winds up near death from multiple gunshot wounds Then there s her father s ghost who insists he won t be free until she finds out what happened to his boyhood friend Corrado whom he s sure was murdered When Norrie s inquiry turns up a dark side to Corrado she hires an eccentric psychic to free her father from the family home And that s when things take a sharp left turn

Double Dose F. Paul Wilson,2023-09-19 Double Dose picks up right where Double Threat leaves off with a snarl of threads to tie up a host of mysteries to explain all complicated by some embarrassing intrusions from the past So many secrets in Nespodee Springs the biggest is revealed when Rhys and Daley track down the second half of the Pendry film and learn the secrets of the clan s Tesla tower and the catastrophic details of the plan to bring the Visitors back to Earth But the insidious malady known as the horrors remains a mystery claiming more and more victims every day Daley and Pard learn they can cure it if only the powers that be will allow them Daley finds herself in an ironic situation For the first time in her life she s trying to play it straight help people instead of scam them and no one will let her In the past when she s spun a web of lies the marks lapped it up like honey Now when she s telling the truth a life saving truth no one believes her And meanwhile over the Salton Sea an ominous darkness is growing **Signalz** F. Paul Wilson,2020-07-07

Twilight has come Night will follow It will begin in the heavens and end in the Earth But before that the rules will be broken The Change is coming and the world as we know it is ending Sixteen year old Ellie has changed She looks the same but her mother detects someone else looking out through her blue eyes Ellie builds a shelter in her room with an entrance that leads elsewhere And what of the convoy of tractor trailers Hari Tate watches drive up a mountain road and return without the trailers leaving

nothing on the mountain What are they shipping And the writer who finds a hole in the floor of his NYC apartment and tumbles through into elsewhere They will all find each other and find their answers in the electromagnetic pulses piercing the Earth from Out There pulses that no one should hear but some do But they are not simply pulses They are SIGNALZ
